Vision

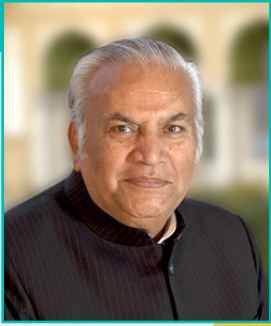

- To improve lives of countrymen through learning.
- To impart quality education to the students with focus on, leadership qualities, moral values, personality development and other skills to prepare to face the challenges of present day.
- To be an academic leader recognized for innovation and quality in teaching and learning experience.
- To lead higher education towards excellence.
- To establish the college as the role model for other institutes.
- The college has bright vision for a broader prospect and it can be achieved with the real commitment, involvement and dedication.
- The goals set, monitored well and executed in a time bound process with utmost care to fulfill the vision. The college will play a leading role in transforming the lives of our students through the use of partnerships, innovation, outreach and technology.

MISSION

- To become the centre of excellence in higher education.
- To outreach and render service to the society.
- To excel in all areas of teaching-learning and research.
- To provide a well-disciplined and innovative environment, with a view to all round development of the students.
- To prepare young men and women of competence, commitment, conscience and compassion.
- To promote excellence in lifelong learning focussed on student success and community needs.
- To ensure the success of our students and their communities through innovative and flexible learning opportunities.
- To provide ethical and value based education.

MESSAGE FROM THE MANAGEMENT

"Education is not only the foundation upon which our civilization has been built, but it is also the architect of humanity's future."

Education plays a vital role in the overall development of the society. The role of education is definitely not limited to giving and grasping knowledge and theory. The true purpose of education transcends much beyond just awarding degree to the students. As Mahatma Gandhi said, "By education, I mean an all round drawing out of the best in child and man-body, mind and spirit". The ultimate goal of education is the discovery of the meaning of life and of all mankind as well as for oneself. Your power to choose the direction of your life allows you to reinvent yourself, to change your future, and to powerfully influence the rest. Leadership and learning are indispensable to each other. The only person who is educated is the one who know how to learn and change. You are the "Change" to yourself and your future.

As our mission states, we are an institution committed to providing a rigorous and balanced education to our students and this reinforces strong role of institution in enriching the student community and thereby creating both a better society and a better tomorrow for all the stakeholders. We, at S.S. Jain Subodh College of Global Excellence believe that it is our duty to engage our students in meaningful learning that will last a lifetime, to prepare them to move into a world where they will have positive impact, and to inspire each of them to realize their own potential as responsible citizen in ever-growing community. Our institution from time to time adopted key innovative modes with a multidimensional approach to lead the wave to generate leaders, beyond mere professionals.

You are the nation-builders. You are the movers of technology. You are the agents of change. It is our fervent hope that the time you spend in this college would enable you to equip with leadership and managerial skills. The knowledge that you will gain, the fine qualities that you will imbibe and the technical skills that you will learn to apply will be your major contribution to your parents, society, and the nation.

We invest our trust in you. You are our safe source and we bank all our efforts on you. We create not the future, instead we craft you for the future. There are strong challenges to great efforts but, always remember great effort bears the sweet fruit of success. We want you to taste the fruit of success once and for the rest of your life.

(Navratan Kothari)
President
S.S. Jain Subodh Shiksha Samiti

"Persistent questioning and healthy inquisitiveness are the first requisite for acquiring learning of any kind."

A warm and affectionate welcome to students who aspire to be a part of the intellectual fraternity at S.S. Jain Subodh College of Global Excellence.

The aim of our institute is empowering students with the power of knowledge and we take it as a mission. We believe that a great responsibility is vested on us, as educators of the modern world. We have a great legacy behind us as part of premier education society of India and we are constantly making every effort to surpass our standards and innovate to improve the quality of education. We invest in dedicated faculty who can impart the best subject knowledge theoretical and practical. Our faculty is also interested in grooming themselves and keep contributing in the latest body of knowledge by high quality research. As a teaching institute we are committed to provide the best and enable them to accomplish their aspirations. Environment of our institute is so crafted to provide assistance and different forms of support to ensure that disadvantages of social background do not hinder a creative and fulfilling academic experience and all students remain on the same playing level field.

The academic session will be what we decide to make it! We believe that the key of power to change the world is modern education blended with ancient wisdom and our management tirelessly makes every effort to achieve the best in education.

We follow a student centric approach. Field trips, seminars, workshops and remedial classes are just some examples. We do our best to extend and encourage learning beyond the walls of classroom by a great student teacher relationship. Being a strong believer of overall development of the youth, college provides every opportunity to the students to sharpen and showcase their talent on various platforms, in every field like sports, cultural activities, field activities and many more. We encourage students to exhibit exemplary behavior even outside the college. This college, while proud of its achievements is marching ahead on its journey to achieve excellence.

(Sumer Singh Bothra)
Hony. Secretary
S.S. Jain Subodh Shiksha Samiti

MESSAGE FROM THE MANAGEMENT

“Education is the passport to the future, for tomorrow belongs to those who prepare for it today reframe, for those who invest in their learning today are the rightful owners of tomorrow's possibilities.”

It is with great pleasure and enthusiasm that I extend a warm welcome to you all to our esteemed institution, S.S. Jain Subodh College of Global Excellence. As the Convener of the College Management Committee, I am honoured to address you in this year's prospectus.

At S.S. Jain Subodh College of Global Excellence, we are dedicated to fostering a nurturing environment that prioritizes academic excellence, personal growth, and holistic development. Our institution stands as a beacon of knowledge and innovation, committed to shaping the minds of future leaders and change-makers. We believe that education is not just about acquiring knowledge but also about instilling values, nurturing talents, and preparing individuals to face the challenges of the dynamic world we live in today. With a team of highly qualified faculty members, state-of-the-art facilities, and a comprehensive curriculum, we ensure that every student receives the best possible education and support to achieve their goals.

Our college is not just a place for academic learning; it is a community where students are encouraged to explore their interests, engage in extracurricular activities, and develop leadership skills. We offer a wide range of clubs, societies, and events that cater to diverse interests, ensuring that every student has the opportunity to pursue their passions and discover their true potential. Moreover, S. S. Jain Subodh College of Global Excellence is committed to fostering a culture of inclusivity and diversity, where every individual is respected, valued, and supported. We believe in creating a welcoming and supportive environment that celebrates differences and encourages collaboration, enabling students to thrive both academically and personally.

As you embark on this journey with us, I encourage you to take full advantage of the opportunities available and to embrace every challenge as a stepping stone towards success. Together, let us work towards creating a brighter future for ourselves and for the world around us.

Once again, I extend my warmest welcome to all new students, parents, and guardians. Thank you for choosing S.S. Jain Subodh College of Global Excellence as your partner in education.

(Pramod Darda)
Convener
College Management Committee

“The function of education is to teach one to think intensively and to think critically. Intelligence plus character-that is the goal of true education.”

I extend to you a heartfelt invitation to embark on a journey of unparalleled educational excellence at S.S. Jain Subodh College of Global Excellence. Here, education transcends the boundaries of conventional learning, embracing a holistic approach that fosters personal growth, leadership development, and a deep-rooted commitment to societal values.

Our institution stands as a beacon of innovation and progress, driven by the belief that education is not merely a means to an end, but a powerful catalyst for societal transformation. We are dedicated to instilling in our students a profound sense of purpose and integrity, equipping them with the skills and knowledge to navigate the complexities of the modern world with confidence and compassion.

At S.S. Jain Subodh College of Global Excellence, we are committed to fostering a culture of excellence and inclusivity, where every student is celebrated as a unique individual with limitless potential. Through our mentorship system, each student is provided with personalized guidance and support, ensuring their holistic development and success in all facets of life.

Central to our mission is the belief that education should not only empower an individual academically, but also cultivate a strong moral compass and a sense of social responsibility. We are deeply invested in nurturing leaders who not only excel in their chosen fields, but also strive to make a positive impact on the world around them.

As we continue on our journey towards excellence, we remain steadfast in our commitment to innovation, continuous improvement, and the pursuit of knowledge. Our goal is to not only meet, but exceed the expectations of our students, parents, and society at large, ensuring that our institution remains at the forefront of educational excellence for generations to come.

I extend my sincerest wishes for success, peace, and prosperity to each and every member of our educational community. Together, let us continue to inspire, innovate, and empower future generations to shape a brighter, more inclusive world through the power of education.

(Dr. S.K. Chaudhary)
Principal

Education is the bridge that spans the gap between ignorance and enlightenment, connecting us to a world of infinite possibilities.”

College At A Glance

S.S. Jain Subodh College of Global Excellence is a co-educational institution affiliated to University of Rajasthan, Jaipur. The scenic and serene college campus provides an environment that is conducive to personal and intellectual growth of a student. It offers UG & PG Courses in multifarious subjects. Practical educational experience and enhanced classroom capability blends with the traditional instructions, allowing us to give students an advantage as they strive to fulfill their career goals.

AIMS AND OBJECTIVES

- Proliferation of higher education laced with humane outlook amongst all students with an orientation for the students from all the sections of the society.
- Dissemination of lessons within the time-frame in keeping with the curriculum formulated by the University of Rajasthan in the best possible way so as to grow their potential and skills, considered necessary for employment and entrepreneurship.
- Insemination of progressive, liberal and secular ways of life into the fervent minds of the students in tune with the underlying statements of the curriculum.
- To enable self-improvement and adoption in the modern competitive world.
- To inculcate the highest intellectual standards through rigorous academic commitment and discipline.

ACADEMIC ENRICHMENT

- 100% result in B.Com, and more than 95% result in B.Sc., BBA, BCA and B.A.
- Efficient teaching with student centered approach.
- Mid-Term Examination based on the University of Raj. exam pattern.

- Conferences, Seminars, Workshops and Guest lectures to provide vast exposure.
- Remedial classes.
- Well-equipped Science and Computer Laboratories.
- Regularly updated, comprehensive and enriched Library.

HOLISTIC DEVELOPMENT

- Leadership Skills
- Communication Skills
- Cognitive Skills
- Community Service
- Artistic Skills
- Industrial Visits

PERSONALIZED PASTORAL CARE FOR STUDENTS

- The students have a class-wise mentor for their pastoral care.

GURUKUL - ENVIRONMENT

- Guru - Shishya Parampara
- Special emphasis on building moral values, character, discipline and good habits.

EXTRA-CURRICULAR ACTIVITIES

- We nurture talent, build confidence and encourage teamwork skills through providing a diverse range of extracurricular activities.
- Well developed Sports facilities for Cricket, Football, Hockey, Track and Field, Volleyball and Indoor Games facility for Boys and Girls
- Outstanding students in cultural and other activities are acknowledged with certificates and rewards.

GREEN, ECO FRIENDLY AMBIENCE WITH STATE OF THE ART INFRASTRUCTURE.

- Well furnished Conference hall for conducting Seminars, Symposiums etc.
- Well developed Smart Classrooms.
- Spacious and well-equipped classrooms.
- Separate Common Rooms for Boys and Girls.
- A clean, hygienic and spacious canteen with quality food articles.
- Big lawn area having lush green grass.
- Botanical garden.
- Spacious parking.
- Purified drinking water facility through Reverse Osmosis (R.O.) plant.

SMART SECURITY SYSTEM

- CCTV surveillance set-up across the Campus.
- Disciplined Environment.
- Ragging free campus.

NEAT AND CLEAN CAMPUS

- Pollution and Tobacco free Campus.
- Hygienic Campus

Infrastructure

"A well-designed college infrastructure is the canvas upon which the masterpiece of education is painted, creating an environment conducive to learning and growth."

THE COLLEGE CAMPUS

The widely expanded campus of the college is spread over 25000 Sq Yards of land set amidst scenic surroundings at Goner Road, Shri Ramchandrapura near Akshay Patra Temple, Jagatpura, Jaipur. Lawns, landscaped gardens and playgrounds surround the building, which houses modern classrooms and state-of-the-art laboratories. The main block of college is a four storey building with basement and incorporated with many features of a green building like rainwater harvesting system, water recycling plant etc. The transport facility from the main city is also easily available.

GREEN CAMPUS

Green campus is a core concept to build sustainable living practices that are environmental friendly in educational institutions around. Studies have shown that students studying on active green campuses have better knowledge retention capacity. Efforts are being made to develop the campus on green concepts, with special focus on water conservation, use of alternative sources of energy, green belt development and sustainable architectural designs of buildings. The lush green lawn area, a beautiful botanical garden, eye-catching perennial and flowering trees grown in beautiful manner in whole campus enhance the beauty of the campus. About 500 plants belonging to different species are maintained here.

THE ADMINISTRATION BLOCK

RECEPTION

A very magnificent reception area is the prime place for sorting out and solving all kinds of enquiries of students, parents, guardians and others. The college staff is available to resolve all the queries regarding counseling, admission procedure and other college related matters during working hours of the college. Counselors and the faculty members guide the students as per their needs, interests and capabilities.

THE ADMISSION CELL

A pre-admission counseling cell is set-up to answer queries and provide general admission guidelines to admission seekers. The members of admission counseling cell are available on working days between 9:00 am - 3:00 pm. The faculties of concerned subjects are acting members of the admission committee, to take care of admission and career related queries bubbling within the new students and their parents.

ADMINISTRATION OFFICE

The well-furnished Administration Office run by qualified and dedicated staff is the core center to streamline and systemize the functioning of the college. This also serves as the student's information center.

THE FACULTY ROOM

Faculty rooms are meant to build up a friendly, professional and efficient ambience. Our Faculty Room is perfect to create such an environment. A very spacious and properly ventilated space with various facilities like, computer system, Wi-Fi, locker and personal space are provided to each faculty member to keep their reference books, teaching materials and important stuff. The teachers work together to build better learning environment for students.

THE EXAMINATION CELL

The examination cell is working for smooth conduction of internal and external examinations. It also manages and organizes University Practical Examinations, viva-voce examinations for students of BBA/ BCA by complying with guidelines of University of Rajasthan and coordinate with all faculty members to ensure credibility and stability of the examination system

The Academic Block

Academic block is the centre where teachers and students can interact and exchange their thoughts, ideas and knowledge for better learning. The Institute has a separate Academic Block with 26 large classrooms, 13 laboratories, one air-conditioned Lecture Hall with seating capacity of 200, two smart classrooms and the faculty rooms. The walls of the Academic Block are adorned with many motivational quotations, beautiful paintings that make the ambience very inspirational. This block is utilized for organizing various conferences, seminars, guest lectures, faculty development programs and study programs, as per the needs of students and faculty members.

The Academic Block houses the following infrastructure:

THE LIBRARY

"Amidst the shelves of a college library, students embark on a journey of intellectual exploration, guided by the compass of literature and the constellations of knowledge."

The Learning Center, the library, is core to each student's academic progress. It was established in 2015, since then the library has made consistent progress in terms of collection of books, periodicals, e-resources, services and provides reader friendly infrastructure. It has seating capacity for 100 students at a time.

At present, the library has over 5600 books and bound volumes of journals covering a wide variety of subjects.

Our library is therefore operated on a need based approach rather than the usual rules-based treatment given to students. In addition, we encourage students to read books, periodicals, reference books, journals and competitive magazines etc.

CLASSIFICATION & CATALOGUING:

The College library uses Dewey Decimal Classification Scheme for classifying the books. Classified catalogue code is used to prepare the catalogue entries in the library software.

Easylib- Library Automation Software

Easylib that stands for Entire Automation System for Libraries is an integrated system for library. It performs various functions related to library for improved operations. Library is fully automated using this commercial software. Bar coding is used for book circulation.

Reference Service

A well furnished Reference Section is maintained in the library where staff and students can pick the book of their choice and make reference. Important textbooks, Encyclopedias, Dictionaries, Reference Books, Multiple volume sets, Dissertations and Question paper sets etc. are displayed in this section.

Periodicals Section:

Students and staff can read and refer to the Periodicals, for awareness about the day-to-day events, the library receives six leading newspapers, employment newspaper and the following magazines and journals:-

- Madhumati (Hindi) Rajasthan Shahitya Academy
- Samkalin Bhartiya Shahitya (Hindi) – Shahitya Academy
- Journal of Accounting and Finance
- Resonance - Indian Academy of Science
- University News - Association of Indian Universities
- National Geography

THE BOOKS & JOURNALS SECTION

The vast library houses a diverse collection of over 5600 books published by leading National and International Publishing Houses in disciplines of Science (Physics, Chemistry, Mathematics, Zoology, Botany and Geography), Commerce, Computer Science, Humanities, Business Administration and various Magazines, Other Motivational & Inspirational books.

READING SECTION

Reading is one of the best productive habits one could possess, it plays a vital role in our life. It broadens our minds with facts and informational pieces. Library has well lit and comfortable reading corners for faculty members and the students. The discipline and peace are maintained remarkably by well-trained senior library head and staff.

THE GLOBAL LIBRARY - for the Students by the Students

Self study is the best way of imbibing self-discipline and self management among an individual. Based on this concept, a special library, the Global Library "for the students by the students" was established. This small library is enriched with books on various subjects which are donated by the faculty members from time to time. It has a well planned infrastructure too for reading and seating. A few volunteer students run this small library and manage the accounting themselves.

RULES AND REGULATIONS FOR LIBRARY

- Admittance: Students must present their identity cum library card and sign in/out at the register located at the library gate for entry.

- **Library Card:** Each student is issued one library card, and two books can be borrowed per card. Cards are non-transferable.
- **Loan Period:** Students can borrow books for 14 days, and if not requested by another student, they can be renewed for an additional 14 days.
- **Overdue Books:** Failure to return books within the stipulated period will result in a fine of Rs. 5 per day per book. Readers are responsible for books issued under their names.
- **Book Recall:** The library reserves the right to recall any issued book before the due date.
- **Lost Books:** If a borrowed book is lost, the borrower must replace it with a copy of the same or latest edition. Failure to replace the book will result in a fine double the cost of the book.
- **Barcode Damage:** Any damage caused to the barcode of a book will incur a fine of Rs. 100 per book, as the library is automated/computerized.
- **Lost Library ID:** In case of a lost Library ID, a duplicate may be issued upon payment of Rs. 100.
- **Personal Belongings:** Personal items like bags and laptops are not allowed inside the library and should be deposited at the entrance.

SEMINAR HALL/AUDITORIUM

To enhance the quality of education and provide a conducive environment for various activities, the college's seminar halls and auditoriums offer state-of-the-art amenities and facilities. With a seating capacity of 400 each, these hi-tech venues are well-lit and equipped with luxurious seating arrangements.

The auditoriums boast modern features such as whiteboards, LCD projectors, and high-quality sound systems, catering to diverse educational needs. Additionally, one of the halls is fully air-conditioned, ensuring comfort for all participants. These versatile spaces serve as regular venues for a myriad of activities including exhibitions, workshops, seminars, presentations, and cultural events.

CLASSROOM AND TUTORIAL ROOMS

The Academic block boasts thirty spacious and well-lit classrooms, including two state-of-the-art lecture theaters accommodating up to 100 students each. Additionally, there are twenty-four lecture rooms with a capacity of 60-70 students and four tutorial rooms catering to 30 students each, providing an immersive and insightful learning environment for all students.

SMART CLASSROOMS

The college is outfitted with cutting-edge smart classrooms, revolutionizing the teaching and learning experience through innovative technology integration. These smart classrooms leverage engaging visuals and animations to elucidate complex concepts, fostering an enjoyable learning journey for students and enhancing their academic performance significantly.

OUTDOOR SPORTS GROUND

The college emphasizes the importance of sports and games as an integral component of the education process. Our sports facilities offer students a platform to not only improve their concentration but also maintain their physical and mental well-being. Nestled within our campus is a sprawling, lush green playground, equipped with facilities for a variety of sports including Tennis, Volleyball, Football, badminton, hockey, and many more, ensuring students have ample opportunities to engage in physical activities and develop essential life skills.

PARKING AREA

Adequate parking facilities cater to both faculty and students, accommodating over 300 vehicles simultaneously. Enhanced security measures include 24-hour CCTV surveillance and a dedicated team of 2 to 3 guards ensuring the safety of parked vehicles around the clock.

COMMON ROOM

Our institute offers separate common rooms for both boys and girls. These spaces serve as vibrant hubs for recreational activities, fostering discussions on a variety of topics aligned with student interests. Here, students refresh themselves and engage in fruitful endeavors such as subject-related discussions, sharing knowledge and perspectives, and planning extracurricular activities. Both common rooms are overseen by the discipline committee under the leadership of the Head of the Institute.

GYMNASIUM

The symbiotic relationship between fitness and health plays a crucial role in combating various diseases. Our college offers a cutting-edge gymnasium, outfitted with the latest fitness equipment and an exercise room where students receive health education. The gymnasium boasts a range of cardio and bodybuilding machines, including fully automatic treadmills, cross trainers, electronic cycles, dumbbells and rods, triceps bars, and multifunctional benches etc.

CANTEEN/CAFETERIA

In the College Canteen, students can enjoy a spacious, clean, and hygienic environment while indulging in a variety of delicious dishes. At the canteen, we aim to ignite the passion for growth by offering an energetic and vibrant culinary experience, all at concessional prices.

INDOOR GAMES

Indoor Stadium at our College offers top-notch facilities for indoor games, including Badminton, Table Tennis, Carom, and Chess etc. After classes, students have the opportunity to enjoy these games, fostering a conducive environment for their holistic development.

Amenities

LABORATORIES

Science, being a practical subject, cannot be effectively taught solely through theory. To ensure proper science education, various experimental works must be conducted. Science laboratories are central to this instruction and are essential components of science education. It is within these facilities that students carry out practical experiments, crucial for their learning. Without well-equipped laboratories, the science teaching process cannot be effectively carried out in any educational institution. At S.S. Jain Subodh College of Global Excellence, we boast well-equipped labs with advanced instruments catering to all science subjects (Botany, Chemistry, Physics, Geography, and Zoology), meeting both student expectations and the curriculum standards of the University of Rajasthan.

PHYSICS LAB

"The laws of physics are the canvas on which God has laid the foundation for painting his masterpiece."

- The department houses three well-established laboratories, each capable of accommodating 30 students at a time. These labs are equipped with ample space, allowing students to work freely.
- The Physics Lab is designed to train students in assembling and operating apparatus, collecting and interpreting data, and presenting experiment results in written reports.
- The laboratories are well-equipped with a wide array of instruments,

including a Geiger Muller Counter (GMC), Grating, Four Probe, LCR circuit, RC Transmission Line, Solar cell, Electronic Balance, Newton's Ring Apparatus, Carry Foster Bridge, Random Decay Apparatus, Rectifier, Filter circuits, Fresnel Bi-prism, Operational Amplifier, Black Body Radiation apparatus, Stefan's Constant apparatus, Compound Pendulum, Conversion of Galvanometer to Ammeter and Galvanometer to Voltmeter apparatus, Analog to Digital and Digital to Analog Converter, etc.

CHEMISTRY LAB

"Chemistry is the art of understanding the invisible dance of atoms, the poetry written in molecular bonds, and the symphony of elements that compose the beautiful composition of our world."

- The department houses three spacious laboratories, each capable of accommodating up to 30 students during practical classes.
- These labs are meticulously stocked with ample chemicals, ensuring every student has the opportunity to engage in hands-on experiments. Guided by dedicated and experienced faculty members.
- Furthermore, the laboratory infrastructure is continuously enhanced with the latest equipment and techniques, including Spectrophotometer, TDS meters, Vacuum pumps, Digital centrifuges, Digital balances, pH Meters, Double Distillation units, Magnetic Stirrers, Heating Mantles, and Digital Potentiometers. These modern tools not only enrich the learning experience but also bolster students' experimental skills. Importantly, the department prioritizes student safety, implementing stringent measures to safeguard individuals while handling chemicals and instruments.

ZOOLOGY LAB

"Zoology is the grand narrative of life, where every organism tells a story of adaptation, evolution, and the intricate dance of nature. It's a journey into the remarkable diversity that paints the canvas of our living world."

- The department has two spacious and well-equipped laboratories with capacity of 30 students each to conduct practical classes
- All the laboratories have necessary infrastructure and equipment to conduct practical classes in the field of Molecular Biology, Biotechnology, and Ecology etc. prescribed as per syllabus
- The laboratory is equipped with diverse apparatus like Hot Air Oven, High Speed Centrifuge, Digital Balance, pH Meter, Binocular Microscope, Simple and Compound Microscope, Distillation Unit, Autoclave, Hot Plate, Water Bath, Colony Counter, Refrigerator, Heating Mantle, Microscopic Slides, Biological Charts and Posters. In the laboratory there is a large museum with well stocked syllabi wise specimens.

BOTANY LAB

"Botany is the study of the way in which plants grow, reproduce and interact with their environment. It is the science of life on Earth."

- The department has two state-of-the-art laboratories, each equipped to accommodate up to 30 students at a time. These spacious and well-ventilated facilities are furnished with a comprehensive array of equipment including Spectrophotometers, Digital Balances, Centrifuges, Autoclaves, Laminar Air Flows, Microtomes, Ganong's Potometers, Farmers Potometers, Ganong's Respirometers, Digital pH Meters, Hot Plates, Incubators, Auxanometers, Binocular Microscopes, Simple and Compound Microscopes, Microscopic Slides, Biological Charts, and Posters.
- Additionally, students have access to a vast museum housing meticulously curated specimens aligned with the syllabus, enriching their educational experience further.

BOTANICAL GARDEN

"Botanical gardens devote their resources to the study and conservation of plants, as well as making the world's plant species diversity known to the public."

The purpose of creating a botanical garden is to provide an educational platform for our students to learn about plant collection, cultivation, and conservation. Our garden boasts a diverse range of plant species, including medicinal plants such as *Tinospora cordifolia* and *Aloe vera*, as well as ornamental plants like *Dahlia* and *Ixora*. In addition to our greenhouse and shade house, we have incorporated a picturesque artificial pond, not only enhancing the natural beauty of the garden but also providing valuable study material for students interested in aquatic biology.

GEOGRAPHY LAB

"Geography is the science that deals with the description, distribution and interaction of the diverse physical, biological and cultural features of the Earth."

The Department of Geography maintains a well-equipped laboratory containing a comprehensive array of maps, charts, and the latest instruments necessary for imparting knowledge in geography. Students, whether individually or in groups, utilize these resources to solve geographical problems. Additionally, the laboratory facilitates the transformation of field-collected data or statistical reports into maps and diagrams.

COMPUTER LAB

"A computer is like a violin, you can imagine it making beautiful music, but you have to learn how to play it."

The department maintains two high-tech, LAN-connected centralized server system and computer laboratories with LCD projectors, Wi-Fi facilities, and a seating capacity of 100 students each. The computers in these labs are equipped with Microsoft Office applications and other software as per the requirements of students. The personal computers in the lab are updated with syllabus-wise software helpful for BCA students and provide elementary knowledge to other students.

Courses Offered

POST GRADUATE COURSES

The Masters Programme offers an exciting range of educational opportunities, with strengths in both the fundamental area of the discipline, and in significant new areas and applications.

"Chemistry is the art of balancing equations- both in the lab and life."

M.Sc. (CHEMISTRY)

The course is specially designed for the students who are willing to learn the properties, changes, areas of chemical reaction and chemical composition of substances. The syllabus for the courses is as prescribed by the University of Rajasthan. It includes scientific and professional knowledge along with advanced theoretical and practical. This would enable the students to face, with confidence, all competitive exams e.g. CSIR-JRF, GATE, etc. The degree offers lucrative job opportunities in the field such as Data Scientist, Chemistry Researcher, Chemist, Clinical Research Specialist and many more.

HIGHLIGHTS OF THE PROGRAMME

- To impart knowledge in fundamental aspects of all branches of chemistry (Organic, Inorganic and Physical Chemistry) along with the current scientific status and new developments in Chemistry.
- To acquire deep knowledge in the specific areas like spectroscopy, solid-state chemistry, environmental chemistry etc.
- The department has an excellent array of equipment for research/project works. Besides association with both UG & PG teaching, the faculty members have produced outstanding research publications.

ELIGIBILITY CRITERIA

Minimum 55% marks in B.Sc. or 55% marks in Chemistry.

DURATION: Two Years; Annual Scheme

FEE STRUCTURE

M.Sc. (Previous) : Rs. 26000

M.Sc. (Final) : Rs. 26000

M.Sc. (Previous): PAPERS

Paper - I	: Inorganic Chemistry
Paper - II	: Organic Chemistry
Paper - III	: Physical Chemistry
Paper - IV	: Spectroscopy and Diffraction Methods
Paper - V	: Green and Sustainable Chemistry
Paper - VI	: Analytical Techniques

M.Sc. Final: PAPERS

Paper - I	: Applications of Spectroscopy, Photochemistry and Solid State Chemistry
Paper - II	: Bioinorganic Chemistry, Bioorganic Chemistry, Biophysical Chemistry
Paper - III	: Environmental Chemistry
Paper - IV	: Organic Synthesis-I
Paper - V	: Organic Synthesis-II
Paper - VI	: Heterocyclic Chemistry
Paper - VII	: Chemistry of Natural Products

"Physics teaches people to accept reality with awe and admiration not to mention the amazement and joy that come with it."

M.Sc. (PHYSICS)

In the M.Sc Physics course, students are prepared to become highly skilled professionals, who contribute significantly to help them overcome industrial challenges and enables them to stay connected with science through research, academia or industry. Plenty of career opportunities are available in: Research and Development, Space and Astronomy, Renewable or Non-Renewable Energy Sector, Robotics, Nanotechnology, Geophysics and Meteorology, Defence Services, Physics Research Labs, Radiation Protection Centers, Oil and Gas Companies, Medical Technology Companies.

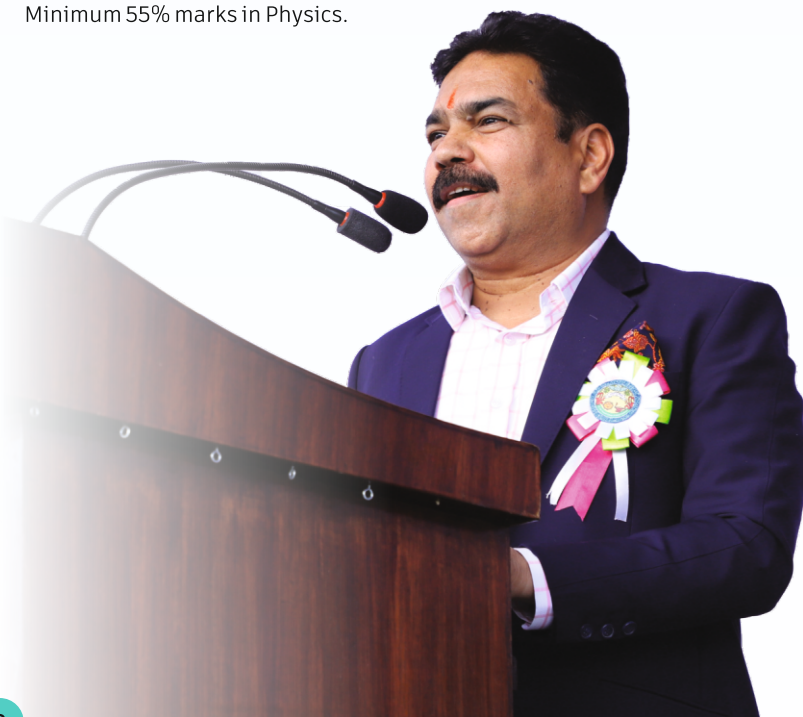

HIGHLIGHTS OF THE PROGRAMME

- We have forged strong partnerships with renowned centers of research excellence so that our students can work with scientists of repute and gain hands-on experience of the most advanced experimental techniques and the most sophisticated theoretical and experimental methods.
- Students can explore the vast expanse and depth of physics with our course that encompasses Quantum Mechanics, Condensed Matter, Nano Science and Technology, Material Sciences, Nuclear Physics, Electronics and Theoretical Physics and much more.

ELIGIBILITY CRITERIA

Minimum 55% marks in B.Sc. or

Minimum 55% marks in Physics.

DURATION: Two Years (Annual Scheme)

FEE STRUCTURE

M.Sc. (Previous): 26000

M.Sc. (Final): 26000

M.Sc. Previous: PAPERS

- Paper I: Classical Mechanics and Mathematical Method in Physics
- Paper II: Classical Electrodynamics
- Paper III: Quantum Mechanics, Atomic and Molecular Physics
- Paper IV: Electronics, Numerical Methods and Computer Programming

M.Sc. Final: PAPERS

- Paper V: Advanced Quantum Mechanics and Introductory Quantum Field
- Paper VI: Nuclear Physics
- Paper VII: Statistical and Solid State Physics
- Paper VIII: (A) Microwave Electronics
Or (B) Plasma Physics

UG Certificate Students who opt to exit after completion of the first year and have secured 48 credits will be awarded a UG Certificate if, in addition, they complete one internship of 4 credits during the summer vacation of the first year												52 (+4)

Scheme of Examination-

1 credit = 25 marks for examination/evaluation

Continuous assessment, in which sessional work and the terminal examination will contribute to the final grade. Each course in Semester Grade Point Average (SGPA) has two components- Continuous assessment (20% weightage) and (End of Semester Examination) EoSE (80% weightage).

1. Sessional work will consist of class tests, mid-semester examination(s), homework assignments, etc., as determined by the faculty in charge of the courses of study.
2. Each Paper of EoSE shall carry 80% of the total marks of the course/subject. The EoSE will be of 3 hours duration.
 - Part-A of the paper shall have multiple questions of equal marks. The first question shall be based on knowledge, understanding and applications of the topics/texts covered in the syllabus.
 - Part B of the paper shall consist of 4 questions with an internal choice of each. The four questions will be set with one from each of the units with internal choice. Third to fourth questions shall be based on applications of the topics/texts covered in the syllabus (60 % weightage) and shall involve solving problems (40% weightage) if applicable.
3. 75% Attendance is mandatory for appearing in EoSE.
4. To appear in the EoSE examination of a course/subject student must appear in the mid-semester examination and obtain at least C grade in the course/subject.
5. Credit points in a Course/Subject will be assigned only if, the student obtains at least a 'C grade' in midterm and EoSE examination of a Course/Subject.

RULES FOR "PASS", "BACK PROMOTED" AND "FAIL"

- For students admitted in the first year:
 - I. Every student will be promoted from the first semester to the second semester
 - II. In the first year the student can earn 52 or 56 credits by-

S. No.	Semester	Major Discipline Credit	Major/ Minor Discipline Credit	Multidisciplinary Courses Credit	AEC Credit	SEC Credit	VAC Credit	Internship	Total Credit
1	I	2*6=12	1*6=6	0	1*4= 4	1*2= 2	1*2= 2	4 Credit required for exit	26
2	II	2*6=12	1*6=6	0	1*4= 4	1*2= 2	1*2= 2		26
I- Year		24	12	0	8	4	4	(+4)	52(+4)

- III. If a student secures a minimum of 48 credits in the first year, he/she will be promoted by the university with the remark "PASS" in the second year. If he/she wants to exit after first year with **"CERTIFICATE OF FACULTY/DISCIPLINE"** then a minimum of 48 credits from course and 4 credits from internship to be earned.
- IV. If the minimum number of credits acquired by the student in the first year is less than 48, then-
- On securing a minimum of 18 credits (50% of total credits 36 in core subjects) and a minimum of 26 credits (50% of total credits 52) in the first year will be promoted with the remark "BACK PROMOTED". In his second year, he can again earn the required credits by appearing in the relevant subjects of the first and second semesters.
- V. Otherwise, the student will become an EX-STUDENT with the remark "FAIL".
- VI. In any year the student cannot appear in all the examinations of any one semester of the previous year.
- VII. For promotion from the current year to the next year, it is mandatory to pass all the prescribed co-courses of the previous year with a minimum of C grades (40%).
- VIII. The maximum period to complete the first year is three years, and for this, the student must have earned a minimum of 48 credits.

UNDER GRADUATE PROGRAMMES

"Science knows no country, because knowledge belongs to humanity, and is the torch which illuminates the world."

BACHELOR OF SCIENCE

B.Sc. PASS COURSE

B.Sc. degree is the first step and foundation course for students who have interest in Science and aspire to make a career in Science and its allied subjects. The best part of doing a B.Sc. degree is good job opportunities may be availed in the field of Research and Development. B.Sc. students are not restricted to science-related careers and have the ability to explore other fields such as administration and for higher education.

HIGHLIGHTS OF THE PROGRAMME

- Well qualified faculty members
- Interactive guest lectures
- Unique mentor-mentee system
- Inter College and intra college seminars and workshops
- Innovative Teaching Learning Methods
- Well-equipped laboratories
- Continuous evaluation
- Strict monitoring of attendance of student
- Remedial theory & practical classes

SUBJECT OFFERED FOR SEMESTER I & II:

- Physics/Mathematics/Chemistry
- Physics/Mathematics/ Geography
- Botany/Zoology/Chemistry
- Botany/Zoology/Geography
- AEC (Hindi, English)
- SEC
- VAC

ELIGIBILITY CRITERIA

Candidates must have passed 10+2 examination in Science Stream with 48% aggregate marks from Rajasthan Board/CBSE or any other equivalent recognized Board.

DURATION: Three Years (Semester Scheme)

FEE STRUCTURE

B.Sc. Part-I - 19000

B.Sc. Part-II - 20500

B.Sc. Part-III - 21000

(Note: Additional 1500/- for Geography as one of the optional paper)

"Commerce education is the foundation for a successful career in the world of finance, trade and entrepreneurship"

BACHELOR OF COMMERCE

B.Com. PASS COURSE

B.Com. is a three year degree program with a view to impart in depth knowledge of Business Analysis and Innovative Solutions through a broader comprehensive attitude towards Accountancy and Financial Management. The programme aims to introduce the basic concepts in Commerce so as to enable students to prepare themselves for further studies in commerce. The second and third year courses in commerce provide the students with an in depth understanding of commercial law, market research, taxation, banking, operation research, corporate ethics, entrepreneur development, etc., by the time they graduate. The curriculum will develop a strong knowledge base, enable students to think critically and coherently on scientific concepts, formulate ideas, design experiments and communicate effectively and creatively.

HIGHLIGHTS OF THE PROGRAMME

- Guest lectures by industry experts and academicians.
- Commerce club activities.
- Industrial visits.
- Special doubt sessions for accountancy subject and financial management.
- Quiz sessions.
- Computer lab facility.
- Inter and Intra College seminars and workshops.

SUBJECT OFFERED FOR SEMESTER I & II :

- ABST (Accountancy and Business Statistics).
- BADM (Business Administration).
- EAFM (Economic Administration and Financial Management).
- AEC (Hindi and English).
- VAC.
- SEC.

INFORMATION FOR PARENTS

- Parents/guardians are requested to cooperate with the college authorities.
- The parents must see that their ward attends the college regularly. Their cooperation will improve the regularity and progress of the ward.
- Parents are requested to make sure that their ward appears in class tests and Mid-Term Examination.
- Parents/guardians are advised to check the records of the attendance of their ward to ensure that their ward is attending classes regularly.

According to the orders of the High Court, **all students must have 75% attendance** in the class to be eligible to appear as regular student in the University Examinations.

Beyond The Classroom

EVENTS & ACTIVITIES

ACADEMIC ACTIVITIES

ORIENTATION PROGRAMME

"Orientation day: A moments to pause, reflects, and embark on a journey of growth and discovery."

Orientation programs lay the groundwork for college success and foster a connection between educators and students. The college conducted a two-day Orientation Program on August 02 and 03, 2023, with Colonel Jitendra Kumar as the Chief Guest. He shared insights on achieving great heights amid challenges through hard work and dedication. On the second day, the new students were guided on a campus tour to acquaint them with the facilities and operations of the institute. The students participated in the program with immense enthusiasm, setting a positive tone for their journey ahead.

GUEST LECTURE AND MOTIVATIONAL LECTURE

"Believe in your potential; let motivation light your path to success."

The Department of Commerce effectively arranged a guest lecture on November 04, 2023, addressing the theme "Financial Literacy and Investor Awareness." CA V. K. Jain served as the Resource Person for the session, providing valuable insights to students on the diverse policies

and schemes accessible in the market for savings and investment purposes.

One more lecture was organized by college on Basic Life Support on October 17, 2023. Dr. Manvendra Singh and Dr. Ritesh Sharma has provided the theoretical as well as practical knowledge to our students about it.

CYBER SECURITY TRAINING PROGRAM

"Leadership and learning are indispensable to each other."

The Certificate Course in Cyber Security was conducted for 100 hours from September 18, 2023 to October 6, 2023 for 120 students of BCA and B.Sc. final year. The training was effective and useful for the students for their respective career growth.

INTER-COLLEGE DEBATE COMPETITION

"Debate: where ideas clash, minds engage, and perspectives are challenged."

On December 21, 2023, the college hosted a Debate Competition exploring the theme, "Social Media Acts as a Catalyst for Youth Aggression: Agree or Disagree?" The primary objective of organizing this debate was to refine students' public speaking skills and instill the ability to articulate their thoughts and opinions effectively. The audience was captivated by the eloquence and profound knowledge displayed by the participants during the debate. The event drew enthusiastic participation from esteemed colleges across the city, garnering an overwhelming response from the attendees. Winners were duly honored with cash prizes, trophies, and certificates for their outstanding contributions.

AD-MAD SHOW & BUSINESS QUIZ

"Lights, Laughter, Action! Let the AD-MAD show be your platform to showcase your creativity, charm your audience, and win hearts."

On October 16, 2023, the Department of Commerce orchestrated an AD-MAD Show and Business Quiz Competition. The Ad-Mad Show, an Advertisement Making Competition, served as a platform for students to exhibit their creativity in marketing products and services, aiming to familiarize them with promotional strategies. Simultaneously, an engaging Business Quiz featuring five rounds tested participants' knowledge beyond academics in an interactive manner. The event's primary goal was to enhance knowledge and awareness. Certificates and trophies were bestowed upon the winners, acknowledging their excellence in these intellectually stimulating competitions.

INDUSTRIAL VISIT

"In the pursuit of knowledge, industrial visits become the bridge between theory and practice, illuminating the path to real-world understanding."

To bridge the gap between theoretical learning and practical application, the college collaborates with esteemed industries and organizations to organize various industrial visits. The advantages of such excursions are manifold; students have the opportunity to witness operational processes, comprehend a company's products or services, and gain a practical understanding of the real-world applications of their academic studies. In the current session, the college facilitated visits to diverse industries and organizations including **Bhamashah Techno Hub, Jaipur Dairy, Jaipur Foot, Sambhar Lake, and Nahargarh Biological Park**. These experiences served as a source of inspiration, fostering determination and focus among students to pursue their dreams.

MID-TERM EXAMINATION 2023

"Exams are not just assessments; they are stepping stones to success, where effort and preparation pave the way for achievement."

Mid-Term exams play a crucial role in assessing students' understanding of the subject, motivating them to engage in consistent study habits, and providing valuable feedback for improvement. In essence, Mid-Term exams are a dynamic tool that goes beyond mere evaluation. They contribute to the educational journey by adding variety to the learning experience, motivating students to strive for excellence, and enabling faculty to guide students effectively based on their individual needs. As a result, these examinations become a pivotal element in shaping the academic success of students and fostering a culture of continuous improvement. In view of the New Education Policy, midterm exams were conducted in S.S. Jain Subodh College of Global Excellence between 25/11/2023 to 05/12/2023.

FAMOUS DAYS CELEBRATION

INDEPENDENCE DAY

"United we stand, celebrating the beauty of freedom."

This day serves as a poignant reminder of the sacrifices made by our nation's freedom fighters, inspiring us to pledge our dedication to serving our motherland, India, with unwavering commitment and noble actions. On August 15, 2023, just like every year, Independence Day was joyously celebrated across all institutions of S.S. Jain Subodh Shiksha Samiti. Our hearts were brimming with patriotic fervor as we expressed gratitude for the selfless sacrifices made by Indian freedom fighters, vowing to contribute to the glory and honor of our nation through dignified deeds.

HINDI DIWAS

"Hindi Diwas celebrates the rich heritage and cultural significance of our national language, Hindi."

Hindi, a language of love, unity, and fraternity, holds the heart of our nation. To honor this significant day, the college orchestrated a magnificent Hindi Diwas on September 14, 2023, marked by unparalleled zeal and immense enthusiasm. Students actively participated in a Kavita Path Pratiyogita, aiming to convey the message that the Hindi language is the essence of our cultural heritage.

WOMEN'S DAY

"Women are the architects of society's progress."

March 8 marks International Women's Day, signifying the social, economic, cultural, and political achievements of women. The college observed this day by organizing various games and activities, acknowledging and celebrating the contributions of women to society. This event, orchestrated by the institute, was a noble initiative aimed at empowering women, making them feel appreciated and valued for their remarkable endeavors.

EXTRA CURRICULAR ACTIVITIES

KRISHNOTSAV

"In the cosmic drama of existence, Krishna is the supreme actor, orchestrating the dance of creation with divine grace."

To commemorate the birthday of Lord Krishna, Janmashtami was joyously celebrated with enthusiasm on September 6, 2023, at the college. The students exhibited a great deal of excitement, especially as Krishnotsav was observed after a considerable interval. Following the

REPUBLIC DAY

"Republic Day is a reminder that the power to shape the destiny of our nation lies in the hands of its citizens."

Republic Day stands as a significant national festival in India, marked by enthusiastic celebrations. On January 26, 2024, the echoes of the National Anthem resonated in all its solemnity and grandeur at S.S. Jain Subodh Shiksha Samiti. The festivities began with the unfurling of the National Flag, setting the tone for cultural activities imbued with a patriotic spirit. The culmination of the event was marked by the release of tricolored balloons, symbolizing the essence of unity and pride on this special occasion.

TEACHER'S DAY

"Teachers not only educate but also inspire, leaving an indelible mark on the hearts and minds of their students for years to come."

Teacher's Day stands as a sincere tribute to the guiding forces in our educational journey, an annual celebration that recognizes the dedication and impact of teachers on students' lives. At S.S. Jain Subodh College of Global Excellence, we pay homage to our exceptional educators who not only impart knowledge but also instill values and inspire a love for learning. This day serves as a reminder of the profound influence teachers have in shaping minds and futures, providing a moment to express gratitude for their tireless efforts, commitment, and unwavering support. On September 5, 2023, Teacher's Day was celebrated in our college with full enthusiasm and engaging activities.

formal rituals of offering prayers to Lord Krishna, students engaged in the Dahi Handi Competition, reminiscent of the endearing ways of Lord Krishna. The cultural ambiance of the event was further enhanced by music and dance performances. The addition of beautiful decorations contributed to the overall cheerfulness and vibrancy of this celebratory occasion.

ANNUAL SPORTS DAY

"Never say never because limits, like fears, are often just an illusion. "

Games and sports play a crucial role in the educational framework. Aimed at fostering a sportsman spirit and augmenting students' physical and social skills, a two-day Annual Sports Day transpired on December 22-23, 2023. This event served as a platform for students to showcase their talents in various sports activities. Badminton, Carom, Chess, Volleyball,

BASANT PANCHMI PUJAN

"Saraswati Maa's divine grace illuminates the path of seekers, guiding them towards the shores of enlightenment and truth."

Basant Panchami heralds the arrival of spring and is dedicated to the worship of Goddess Saraswati, the deity of knowledge and wisdom. Upholding this tradition, The College celebrated Basant Panchami on February 14, 2024, with a Havan Ceremony to seek blessings from Goddess Saraswati. Faculty and students gathered to partake in the spring festival, radiating energy and enthusiasm. The vibrant celebration saw everyone adorned in yellow attire, reflecting the festive spirit, and yellow sweets were distributed, adding a sweet touch to the joyous occasion.

DANDIYA NIGHT

"Dandiya night: where hearts unite, feet dance, and laughter fills the air with joyous melodies"

The Navratri festival infuses the air with excitement, elation, and vibrant energy! A delightful way to revel in this grand celebration is through the traditional dance of dandiya. In honor of Navratri, S.S. Jain Subodh

Kabaddi, Table Tennis, Three-Leg Race, Lemon-Spoon Race, Javelin Throw, Cycling, and other sports events were organized for both students and college staff members. Many students actively participated in both indoor and outdoor games, securing commendable positions in various sports categories.

DEEPOTSAV

"Diwali is an opportunity to cleanse the mind, body, and soul, and to start afresh with renewed enthusiasm and positivity."

Deepotsav is joyously celebrated each year, and this year, the festivities unfolded on November 8, 2023, with immense enthusiasm. The occasion featured a range of cultural programs including Maandna (Rangoli Competition), Geet Gunjan (Singing Competition), Jhankaar Beats (Group Dance Competition), Abhivyakti (Skit/Nukkad Natak Competition), Shilp Rang (Best out of Waste Competition), Brain Hunt (Logo Making Competition) and Rang Birangi (Face Painting) allowing students to showcase their diverse talents. The entire college radiated a festive aura adorned with diyas and flowers, and the intricately crafted rangoli by students served as a picturesque backdrop to the joyous celebration.

College of Global Excellence hosted a spirited Dandiya Night on October 20, 2023. Both students and faculty members participated with immense enthusiasm, creating a lively atmosphere as they danced to the beats of Gujarati and Punjabi songs. The event proved to be a tremendous success, bringing everyone together for an evening of joy and celebration. To enhance enthusiasm and encourage traditional attire, awards were presented for **"Best Dress"** and **"Best Performance."**

ANNUAL DAY, UDISHA-THE RISING SUN 2024

"Annual day: a celebration of milestones achieved, lessons learned, and the promise of a bright future ahead."

On February 20, 2024, the Annual Day and Prize Distribution Ceremony took place, commemorating students' achievements and showcasing their talents. The event featured a blend of cultural and academic activities, including dance, singing, ramp walks, mime performances, speeches by distinguished guests, and an award ceremony. In addition to

recognizing top performers in university examinations, the Student of the Year Awards (for both boys and girls) were conferred based on students' overall curricular and co-curricular performances throughout the session. The splendid event concluded with a grand dinner extended to all dignitaries, students, and college staff.

SOCIAL AWARENESS ACTIVITIES FOR THE GOVERNMENT SCHOOL

"In giving, we find the true essence of humanity."

Continuing its commitment to social upliftment, the institution is dedicated to enhancing facilities at the Government School, Saligrapura, adopted by the college in 2015. Various amenities have

been extended to the school and its students, including the provision of electricity connections and installation of ceiling fans in the classrooms. During the winter season, the Principal, college students, and faculty members distributed food packets, sweaters, and shoes to the students, spreading joy and warmth and a RO Unit has been also installed for the School in this session.

BLOOD DONATION CAMP

"Be a lifeline, donate blood."

Blood donation stands as a noble cause, and the college actively facilitates this initiative. Each year, our students and faculty members generously contribute more than 100 units of blood. Participating in a blood donation camp presents a significant opportunity to positively impact society and the lives of others. It serves as a powerful symbol of humanity, bringing people together regardless of caste, creed, or religion. Recognizing the profound value of having the ability and willingness to give, the college organized its sixth Blood Donation Camp on December 18, 2023, in collaboration with SDMH, Jaipur. A total of 100 units of blood were donated by the students and faculty members during this session, and all donors received a humble gesture of appreciation.

SWACHHATA ABHIYAN

"Cleanliness is next to godliness."

The main goal of the Swachhata Abhiyan Program, which is held every year, is to raise awareness among students about the benefits of cleanliness in promoting social inclusion by improving sanitation, particularly in underprivileged groups. The college planned this day for November 7, 2023. The day began with a morning assembly, which included Morning Prayer and an encouraging statement from the Principal. The students, faculty, and principal took on the responsibility of cleaning the entire college campus, including classrooms, corridors, and playgrounds. The fourth-grade teachers were designated as the day's ambassadors, and students and college administration gave them with apparel as a gesture of gratitude for their work.

AANANDAM DAY

"Coming together is a beginning. Keeping together is progress. Working together is success."

The Aanandam Act for Community engagement has been established as a required subject in UG courses beginning with the 2020-21 academic year, with the goal of instilling in young people the love of giving and sharing via community engagement. All students from all streams gladly engaged in this activity, which was effectively implemented in the

institution in accordance with the UOR criteria. Our Principal, Dr. S.K. Chaudhary delivered a motivational talk to the students on September 30, 2023 to commemorate Aanandam Day.

RECREATIONAL VISIT

"Teamwork is the ability to work together toward a common vision. The ability to direct individual accomplishments toward organizational objectives. It is the fuel that allows common people to attain uncommon results."

Recreation is about personal development and self-expression, as well as increasing learning possibilities and meeting needs that are not satisfied during people's non-leisure time. The college provides its students with excellent chances for both indoor and outdoor activities. Students and staff members participate in recreational and instructive tours as part of their academic schedules.

On January 10, 2024, we went on a one-day tour to the Sunrise Resort in Jaipur. It was a fantastic day filled with games, nature exploration, exciting activities, and adventure.

"The future depends on what we do in the present."

CELLS AND COUNCILS ENVIRONMENT CLUB

"Earth rejoices our words, breathing and peaceful steps. Let every breath, every word and every step make the mother earth proud of us."

An environment club has been created in our college. Under the inspiration and supervision of our Principal, all staff and students actively participate in the club's activities. The club's objective is to raise awareness of environmental issues such as protection, conservation, preservation, and restoration. With an emphasis on educating and empowering kids. The group offers awareness activities on a monthly basis, including as seminars, debates, and popular presentations on environmental and plantation issues.

ROVERS AND RANGERS UNIT

"A Scout is never taken by surprise; he knows exactly what to do when anything unexpected happens."

The senior wing of India's Scouts and Guides is called Rovers & Rangers. Through camps at the district, state, and federal levels, they get a variety of personality development training, including instruction in social service, leadership, discipline, disaster management, civil defense, and environmental conservation. In our college, there are now 17 Rovers registered. 'Rajya Puraskar 2023-24' was given to 12 Rovers, while 'Nipun Puraskar 2023-24' was given to 5. Every Rover took part in the year-long training camps in the 2023-2024 session with utmost enthusiasm.

One unit of Rangers was formed in the session 2021-2022. This year 08 Rangers received 'Rajya Puraskar 2023-24' and 14 Rangers received 'Nipun Puraskar 2023-24'. They also participated in multiple events like Flag March at SMS Stadium on the Republic Day and at Second and Third Camp for Water Conservation at Ramniwas Bagh.

NSS Unit

"Those who are happiest are those who do the most for others."

The college has Two Units of NSS where, many activities were during this academic year, on August 9, 2023, under the "मेरी माटी मेरा देश" program, tree plantation was done. On November 7, 2023, "Cleanliness Drive" was organised at the College Campus wherein the students participated with utmost zest. Another One-day camp that entailed 'Blood Donation', 'Free Health Check-up' and 'Dental Check-up' was held at the College on December 18, 2023. The NSS Unit of the college plays a very active role in the institution. A 7 day special camp was organised from December 26, 2023 to January 1, 2024 by the unit, inaugurated by Dr. Snigdha Sharma, District Coordinator NSS. Various activities filled those seven days including manual labour, cleanliness drive at Gram Panchayat, Vidhani and the surrounding areas, an essay writing competition for "Viksit Bharat 2047", tree plantation and the event was concluded by Nukad Natak and Rangoli making competition. Such activities are a regular occurrence at S.S. Jain Subodh College of Global Excellence.

PLACEMENT CELL/CAREER COUNSELLING CELL

"We are what we repeatedly do. Excellence, then, is not an act, but a habit."

The Placement and Career Counseling Cell of S.S. Jain Subodh College of Global Excellence is committed to providing possibilities for its students to advance their careers before they leave the college. The Cell's goal is to provide work possibilities and professional training to students. The Placement Cell assists students and fosters creativity through Webinars, Seminars, Workshops, Personality Development Programs, and other initiatives. In this session, the college organized a 'Job Fair' on February 10, 2024 in which companies like Dovetail, Quess, Vodafone, Bata, Airtel, PhonePe, Learning Routes, Satya, HikeEdu and many more conducted

interviews with 800 registrations and 110 students were selected and placed in the respective companies. Additionally, more than 50 students in their second and final year were also given internships with various renowned companies based on their interests.

MOU WITH- ICT ACADEMY NARAYANA

An MOU has been signed with ICT Academy, a non-profit organization, marking the first of its type pioneer initiative under the Public Private Partnership model that aims to provide superior knowledge to instructors and students, thereby training the future generation of teachers and industry-ready pupils. Since the MOU was formed, staff and students have been consistently participating in many of these efforts, empowering themselves by registering in and participating in conferences, power seminars, HR conclaves, and other events. Narayana Multispeciality Hospital offers health benefits and discounts to our professors and students, as well as raises awareness about various chronic conditions on a regular basis.

ANTI RAGGING CELL

"Empathy wins, say no to ragging sins."

According to the Supreme Court of India's order and subsequent announcement from the University Grant Commission (UGC), ragging is a malignant kind of contact in which newcomers are subjected to psychological or physical torment. The college has an anti-ragging cell to protect students' dignity. To prevent ragging, the anti-ragging squad maintains an active surveillance system on campus. We have zero tolerance for ragging. The members of the anti-ragging cell are:

- Dr. Arvind Choudhary (9414770762)
- Mr. Dharmendra Kumar Verma (9461444497)
- Dr. Nidhi Jain (8005585697)
- S.H.O., Shivdaspura, (9950253772)
