VISION

- To improve lives of countrymen through learning.
- To impart quality education to the students with focus on, leadership qualities, moral values, personality development and other skills to prepare to face the challenges of present day.
- To be an academic leader recognized for innovation and quality in teaching and learning experience.
- To lead higher education towards excellence.
- To establish the college as the role model for other institutes.
- The college has bright vision for a broader prospect and it can be achieved with the real commitment, involvement and dedication.
- The goals set, monitored well and executed in a time bound process with utmost care to fulfill the vision. The college will play a leading role in transforming the lives of our students through the use of partnerships, innovation, outreach and technology.

MISSION

- To become the centre of excellence in higher education.
- To outreach and render service to the society.
- To excel in all areas of teaching-learning and research.
- To provide a well-disciplined and innovative environment, with a view to all round development of the students.
- To prepare young men and women of competence, commitment, conscience and compassion.
- To promote excellence in lifelong learning focussed on student success and community needs.
- To ensure the success of our students and their communities through innovative and flexible learning opportunities.
- To provide ethical and value based education.

From the MANAGEMENT DESK

Navratan Kothari

President

S.S. Jain Subodh Shiksha Samiti

"What you get by achieving your goals is not as important as what you become by achieving your goals."

At S.S. Jain Subodh College of Global Excellence, we believe in nurturing not only academic brilliance but also holistic development that empowers you to face the challenges of an ever-evolving global landscape. Our institution is committed to providing an environment that encourages intellectual growth, innovation, and a strong sense of social responsibility.

As you embark on this exciting journey of education, I urge you to take full advantage of the opportunities and resources available to you. The road ahead will be filled with opportunities for growth and learning—both inside and outside the classroom. Embrace every challenge, seek new experiences, and build the skills that will shape your future. Engage with your peers, learn from your professors, and actively participate in various co-curricular and extra-curricular activities. Remember, success is not just about what you learn in the classroom but also about how you grow as an individual.

Our college is proud to foster a culture of excellence, where each one of you has the potential to make a meaningful contribution to society. Be curious, be bold, and be kind. I am confident that each one of you has the potential to excel and make a significant impact. I wish you all a fulfilling and successful academic journey. May you shine in all your endeavours!

Navratan Kothari

Sumer Singh Bothra

Hon. Secretary

S.S. Jain Subodh Shiksha Samiti

"Education is not the learning of facts, but the training of the mind to think."

Greetings, I welcome you all to a world of growth and opportunity. Our commitment at S.S. Jain Subodh College of Global Excellence is to provide a safe and intellectual environment that will empower students to become innovative thinkers. We believe in the concept of acquiring, analysing and applying the knowledge, which leads to the holistic development of the students. We equip our students with necessary skills and knowledge. Our dedicated team of faculty and staff are always ready to provide curricular mentoring, academic innovations and support for student's personal and professional growth. The faculty serves as teachers, advisors, mentors and friends.

In this day and age, success is determined not only by excellence in academics but also by ability to be an active learner, positive thinker, problem-solver, team-player, keen listener and most importantly a do-gooder. We also believe in nurturing the talent and creativity of our students. Our institute offers a rich tapestry of extra-curricular activities which allows students to develop various interpersonal skills and discover new and varied interests. College is a crucial step towards holistic development of personality and is also a place to create wonderful memories that students cherish for lifetime.

We take pleasure to assure all the students that learning journey through our institute would be most rewarding and fruitful. I am sure our students will always strive to uphold the dignity of our institute and keep its flag ever flying high.

Sumer Singh Bothra

From the MANAGEMENT DESK

R.C Jain

Retd. IAS, Convener
College Management Committee

"Education is the founder for better future. The prime aim of education is to enable individuals to become the architects of their own future to continually reinvent themselves."

It gives me great pleasure to welcome you all on behalf of our prestigious institution. I am honored to address you in this year's prospectus as the College Management Committee Convener.

At S.S. Jain Subodh College of Global Excellence, we are devoted towards facilitating a supportive environment for the students encouraging overall holistic development. Our institution serves as an epitome of excellence which focuses on nurturing well-being, personal growth, and essential life skills. At our institution, we trust in the concept that a quality education lays the groundwork for a brighter future. We also make sure that all our students find a career that is fulfilling and rewarding so that they can live out their dreams. Having support of well qualified faculty members, advanced and latest technologies, and extensive curriculum, we assure that every student achieves a top-notch education.

Our institution is not only a place for academic learning but also a community where students are encouraged to pursue their interests and participate in extracurricular activities. We make sure that every student has the chance to follow their passion and realize their full potential by providing a variety of clubs, groups, and activities that appeal to a wide range of interests.

I express my heartfelt greeting to all incoming students, parents, and guardians. Thank you for selecting S.S. Jain Subodh College of Global Excellence.

R.C Jain

From the PRINCIPAL'S DESK

Dr. S.K. Chaudhary

Principal

"Education is the key to success in life, and teachers make a lasting impact in the lives of their students."

It is with great pride and joy that I welcome you to S.S. Jain Subodh College of Global Excellence, a premier institution dedicated to holistic education and fostering global competencies. Our mission is to empower young minds with the knowledge, skills and values required to excel in a rapidly evolving world.

At S.S. Jain Subodh College of Global Excellence, we believe that education goes beyond academics. We focus on nurturing critical thinking, ethical conduct, and leadership qualities in our students. Our experienced faculty, modern infrastructure, and student-centric approach create an ideal environment for learning and personal growth.

We also emphasize on extra-curricular and co-curricular activities to ensure the comprehensive growth of our students. Through various opportunities, we aim to cultivate confident individuals who can contribute meaningfully to society and embrace global challenges.

Join us on this journey of transformation, where we foster excellence and prepare leaders for tomorrow. Together, let's achieve great heights of success.

Dr. S.K. Chaudhary

“Striving for success without hard work is like trying to harvest where you haven't planted.”

COLLEGE AT A GLANCE

S.S. Jain Subodh College of Global Excellence is affiliated to the University of Rajasthan in Jaipur. The beautiful and tranquil college campus offers a setting that supports a student's intellectual and personal development. It provides undergraduate and graduate courses in a variety of subjects. By combining traditional training with advanced classroom capabilities and practical educational experience, we can provide students a competitive edge as they work toward their career goals.

AIMS AND OBJECTIVES

- Expansion of higher education with a humanitarian perspective for all students, with the objective of catering the students from all societal backgrounds.
- Disseminating teachings in a timely manner that adheres to the University of Rajasthan's curriculum in the greatest manner feasible in order to develop their potential and acquire the skills deemed essential for employment and business.
- Instilling progressive, liberal, and secular lifestyles in students' passionate minds in accordance with the curriculum's guiding principles.

ACADEMIC ENRICHMENT

- 100% result in B.Com, and more than 95% result in B.Sc., BBA, BCA and B.A.
- Efficient teaching with student centered approach.
- Mid-Term Examination based on the University of Rajasthan Exam pattern.
- Conferences, Seminars, Workshops and Guest Lectures to provide vast exposure.
- Remedial classes.
- Well-equipped Science and Computer Laboratories.
- Regularly updated, comprehensive and enriched Library.
- Subodh Pratiyogita Siddhi (Centralised Coaching for RAS/SSC/ Banking)

HOLISTIC DEVELOPMENT

- Leadership Skills • Communication Skills • Cognitive Skills
- Community Service • Artistic Skills • Industrial Visits

PERSONALIZED PASTORAL CARE FOR STUDENTS

- Mentor-Mentee system for their pastoral care.

GURUKUL - ENVIRONMENT

- Guru - Shishya Parampara
- Special emphasis on building moral values, character, discipline and good habits.

EXTRA-CURRICULAR ACTIVITIES

- Through a wide variety of extracurricular activities, we develop talent, boost self-esteem, and promote teamwork.
- Well-equipped sports facilities for track and field, volleyball, football, hockey, cricket, and indoor games for both boys and girls.
- Certificates and prizes are given to the students who excel in cultural and other events.

GREEN, ECO FRIENDLY AMBIENCE WITH STATE OF THE ART INFRASTRUCTURE

- A well-equipped conference room for holding symposiums, seminars, and other events.
- Smart classrooms that are well-designed.
- Roomy and fully furnished classrooms.
- Boys' and girls' separate common areas.
- A large, spacious and hygienic canteen with high-quality food items.
- A large lawn with verdant grass.
- A large parking area.
- A botanical garden.
- Purified drinking water facility through Reverse Osmosis (R.O.) plant.

SMART SECURITY SYSTEM

- CCTV surveillance set-up across the Campus.
- Disciplined Environment.
- Ragging free campus.

NEAT AND CLEAN CAMPUS

- Pollution and Tobacco free Campus.
- Hygienic Campus

"The ultimate goal of the educational system is to shift to the individual the burden of pursuing his education."

INFRASTRUCTURE

THE COLLEGE CAMPUS

The college's vastly expanded campus is situated on 25,000 square yards of land in the picturesque Goner, Ramchandrapura, near to the Akshay Patra Temple in Jagatpura, Jaipur. Modern classrooms and cutting-edge labs are housed in a structure, surrounded by lawns, landscaped gardens, and playground. The college's main building is a four-story structure with a basement that incorporates numerous green construction features, such as a water recycling plant and a rainwater collection system. There is also easy access to transportation from the main cities.

GREEN CAMPUS

Efforts are being made to develop the campus on green concepts, with special focus on water conservation, the use of alternative sources of energy, green belt development, and sustainable architectural designs of buildings. The campus is aesthetically pleasing, with features like a lush green lawn area, a beautiful botanical garden, and eye-catching perennial and flowering trees grown in a beautiful manner throughout the campus. About 500 plants belonging to different species are maintained here.

THE ADMINISTRATION BLOCK RECEPTION

A very magnificent reception area is the prime place for sorting out and solving all kinds of queries of students, parents, guardians and others. The college staff is available to resolve all the queries regarding counselling, admission procedure and other college related matters during working hours of the college. Faculty and counsellors provide students with guidance based on their abilities, interests, and needs.

THE ADMISSION CELL

A pre-admission counselling unit is established to respond to inquiries and give prospective students general admissions instructions. On working days, the admission counselling cell staff is accessible from 9:00 am to 3:00 pm. In order to address any queries of the students and their parents may have about admissions and careers, the professors of the relevant courses serve as acting members of the admission committee.

ADMINISTRATION OFFICE

The Administration Office, which is well-equipped and staffed by knowledgeable and committed individuals, is the main hub for organizing and streamlining the college's operations. This also serves as the student's information center.

THE FACULTY ROOM

Our faculty room is ideal for creating a welcoming, professional, and productive atmosphere. It is a large, well-ventilated space with a computer system, Wi-Fi, lockers, and personal space for each faculty member to keep their teaching materials, reference books, and other essentials. Teachers collaborate to improve the learning environment for students.

THE EXAMINATION CELL

The purpose of the examination cell is to ensure that both internal and external examinations are conducted smoothly. Along with managing and organizing University Practical Examinations and Viva-Voice Examinations for BBA/BCA students, it also coordinates with all faculty members to make sure the examination system's stability and authenticity while adhering to University of Rajasthan norms.

The Academic Block

In any knowledge – importing Institution Academic Block is the store house of knowledge that plays a pivotal role. It provides an additional space to the students and teachers to interact with each other for better learning. The Institute has Academic Block with 26 large classrooms, 13 laboratories, two air-conditioned Lecture Hall with seating capacity of 200, two smart classrooms and the faculty room. The walls of the Academic Block are embellished with many motivational quotations, beautiful paintings that make the ambience very inspirational.

The Academic Block houses the following infrastructure:

THE LIBRARY

CLASSIFICATION & CATALOGUING:

The College library uses Dewey Decimal Classification Scheme for classifying the books. Classified catalogue code is used to prepare the catalogue entries in the library software.

EASLIB- LIBRARY AUTOMATION SOFTWARE

Easlib that stands for Entire Automation System for Libraries is an integrated system for library. It performs various functions related to library for improved operations. Library is fully automated using this commercial software. Bar coding is used for book circulation.

REFERENCE SERVICE

A well furnished Reference Section is maintained in the library where staff and students can pick the book of their choice and make reference. Important textbooks, Encyclopaedias, Dictionaries, Reference Books, Multiple volume sets, Dissertations and Question paper sets etc. are displayed in this section.

THE BOOKS & JOURNALS SECTION

The vast library houses a diverse collection of over 5800 books published by leading National and International Publishing Houses in disciplines of Science (Physics, Chemistry, Mathematics, Zoology, Botany and Geography), Commerce, Computer Science, Humanities, Business Administration and various magazines, Other Motivational & Inspirational books.

“Libraries store the energy that fuels the imagination. They open up the windows to the world and inspire us to explore and achieve and contribute to improving our quality of life”

Libraries are gateways to knowledge and culture. The resources and services offered by the library create opportunities for learning, support literacy and education and also help shape new ideas and perspectives that are central to a creative and innovative society. It was established in 2015, since then the library has made consistent progress in terms of collection of books, periodicals, e-resources, services and provides reader friendly infrastructure. It has seating capacity for 100 students at a time.

At present, the library has over 5800 books and bound volumes of journals covering a wide variety of subjects. There is a regular subscription to leading Newspapers, Magazines and Journals thereby augmenting the library as a rich source of knowledge.

Our library is therefore operated on a need based approach rather than the usual rules-based treatment given to students. In addition, we encourage students to read books, periodicals, reference books, journals and competitive magazines etc.

READING SECTION

Reading section provides a focal point for the study and discussion. It aims to stimulate leadership, research, good practice, information and exchange of ideas. It broadens our minds with facts and informational pieces. Library has well-lit and comfortable reading corners for faculty members and the students. The discipline and peace are maintained remarkably by well-trained senior library head and staff.

THE GLOBAL LIBRARY - for the Students by the Students

Self study is the best way of imbibing self-discipline and self management among an individual. Based on this concept, a special library, the Global Library “for the students by the students” was established. This small library is enriched with books on various subjects which are donated by the faculty members from time to time. It has a well planned infrastructure too for reading and seating. A few volunteer students run this small library and manage the accounting themselves.

RULES AND REGULATIONS FOR LIBRARY

Admittance: Students must show their identity cum library card and sign in/out at the register located at the library gate for entry.

Library Card: Each student is issued one library card, and two books can be borrowed per card. Cards are non-transferable.

Loan Period: Students can borrow books for 14 days, and if not requested by another student, they can be renewed for an additional 14 days.

Overdue Books: Failure to return books within the stipulated period will result in a fine of Rs. 5 per day per book. Readers are responsible for books issued under their names.

Book Recall: The library reserves the right to recall any issued book before the due date.

Lost Books: If a borrowed book is lost, the borrower must replace it with a copy of the same or latest edition. Failure to replace the book will result in a fine double the cost of the book.

Barcode Damage: Any damage caused to the barcode of a book will incur a fine of Rs. 100 per book, as the library is automated/computerized.

Lost Library ID: In case of a lost Library ID, a duplicate may be issued upon payment of Rs. 100.

Personal Belongings: Personal items like bags and laptops are not allowed inside the library and should be deposited at the entrance.

SEMINAR HALL/ AUDITORIUM

Deliberation is a great way to communicate and vital for the development and enhancement of an individual and education system as a whole. The college's seminar halls and auditoriums offer state-of-the-art amenities and facilities. With a seating capacity of 400 each, these hi-tech venues are well-lit and equipped with luxurious seating arrangements.

The auditoriums boast modern features such as whiteboards, LCD projectors, and high-quality sound systems, catering to diverse educational needs.

Additionally, both the halls are fully air-conditioned, ensuring comfort for all participants. These versatile spaces serve as regular venues for a myriad of activities including, conferences, exhibitions, workshops, seminars, presentations, and cultural events.

CLASSROOM AND TUTORIAL ROOMS

The Academic block boasts thirty spacious and well-lit classrooms, including two state-of-the-art lecture theatres accommodating up to 100 students each. Additionally, there are twenty-four lecture rooms with a capacity of 60-70 students and four tutorial rooms catering to 30 students each, providing an immersive and insightful learning environment for all students.

SMART CLASSROOMS

To keep pace with the technological advancement in pedagogy of teaching and making learning an exhilarating experience, the college has smart class rooms to cater to the smart generation of new India. These smart classrooms leverage engaging visuals and animations to elucidate complex concepts, fostering an enjoyable learning journey for students and enhancing their academic performance significantly.

OUTDOOR SPORTS GROUND

Games are an essential tool for a healthy mind and body. Understanding the importance of sports, the college has a huge ground for outdoor games, equipped with facilities for a variety of sports including Tennis, Volleyball, Football, Badminton, Hockey, and many more, ensuring students have ample opportunities to engage in physical activities and develop essential life skills.

INDOOR GAMES

Indoor Stadium at our College has top-notch facilities for indoor games, including Badminton, Table Tennis, Carom, and Chess etc. After classes, students have the opportunity to enjoy these games, fostering a conducive environment for their holistic development.

COMMON ROOM

Our institute offers separate common rooms for both boys and girls. These spaces serve as vibrant hubs for recreational activities, fostering discussions on a variety of topics aligned with student interests. Here, students refresh themselves and engage in fruitful endeavours such as subject-related discussions, sharing knowledge and perspectives, and planning extracurricular activities. Both common rooms are overseen by the discipline committee under the leadership of the Head of the Institute.

GYMNASIUM

The symbiotic relationship between fitness and health plays a crucial role in combating various diseases. Our college offers a cutting-edge gymnasium, outfitted with the latest fitness equipment and an exercise room where students receive health education. The gymnasium boasts a range of cardio and bodybuilding machines, including fully automatic treadmills, cross trainers, electronic cycles, dumbbells and rods, triceps bars, and multifunctional benches etc.

CANTEEN/ CAFETERIA

In the College Canteen, students can enjoy a spacious, clean, and hygienic environment while indulging in a variety of delicious dishes. Quality food is prepared under strict hygiene conditions.. At the canteen, we aim to ignite the passion for growth by offering an energetic and vibrant culinary experience, all at concessional prices.

PARKING AREA

A vast and properly guarded parking facility is available for faculty and students, accommodating over 300 vehicles simultaneously. Enhanced security measures include 24-hour CCTV surveillance and a dedicated team of 2 to 3 guards ensuring the safety of parked vehicles around the clock.

AMENITIES

LABORATORIES

Working in laboratories is the first hands-on experience any student gets in his/her career. Colleges emphasize more on advanced studies through practical learning. Laboratories have different design features which depend on the type of work or experiments. At S.S Jain Subodh College of Global Excellence, we have acquired well equipped laboratories with latest instruments related to all Science subjects (Botany, Zoology, Chemistry, Physics, Geography and Zoology) and Computer Science laboratory with latest technical hardware and software which fulfil both students' expectations and the curriculum standards of the University of Rajasthan.

PHYSICS LAB

"The only Rules are the ones dictated by the law of physics. Everything else is a recommendation."

- The Department has three well established laboratories each capable of accommodating a capacity of 30 students. These labs are designed to teach students basic concepts and principles of physics, related to laboratory experiments and their applications.
- Laboratory is well equipped with instrument's including a Geiger Muller Counter(GMC), Grating Four Probe, LCR circuit, RC Transmission Line, Solar cell, Electronic Balance, Newton's Ring Apparatus, Carry Foster Bridge, Random Decay Apparatus, Rectifier, Filter circuits, Fresnel Bi-prism, Operational Amplifier, Black Body Radiation apparatus, Stefan's Constant apparatus, Compound Pendulum, Conversion of Galvanometer to Ammeter and Galvanometer to Voltmeter apparatus, Analog to Digital and Digital to Analog Converter, etc.

CHEMISTRY LAB

"Chemistry is not just a science; it is an art and way of life. Every aspect of our lives is deeply affected by chemistry and its marvels. It is a bond that keeps everything connected and related."

- The department has three large laboratories that may accommodate up to 30 students during practical lessons. Our labs are well-stocked with chemicals, allowing students to do hands-on investigations under the guidance of experienced faculty members
- The laboratory infrastructure is constantly updated with procedures and cutting edge equipment, including Spectrophotometer, TDS meters, Vacuum pumps, Digital centrifuges, Digital balances, pH Meters, Double Distillation units, Magnetic Stirrers, Heating Mantles, and Digital Potentiometers. These new technologies not only improve the learning experience, but they also help students to develop their experimental abilities. Importantly, the department promotes student safety, putting in place strong safeguards to protect persons when handling chemicals and instruments.

ZOOLOGY LAB

"Zoology is the excellent place to study habits of all human beings. It is not just the study of species but it is the study of life in all forms."

- The department contains two spacious and well-equipped laboratories with capacity for 30 students each to conduct practical lessons. The laboratories have the essential infrastructure and equipment for practical sessions in Molecular Biology, Biotechnology, and Ecology, as per the syllabus.
- The laboratory has a variety of equipment, including Hot Air Oven, High Speed Centrifuge, Digital Balance, pH Meter, Binocular Microscope, Simple and Compound Microscope, Distillation Unit, Autoclave, Hot Plate, Water Bath, Colony Counter, Refrigerator, Heating Mantle, Microscopic Slides, Biological Charts and Posters. In the laboratory, there is a big museum with well-stocked syllabi-related exhibits.

BOTANY LAB

"Botany- the science of the vegetable kingdom, is one of the most attractive, most useful, and most extensive departments of human knowledge. It is, above every other, the science of beauty"

- There are two advanced labs in the department that can hold up to 30 students at once. These large, well-ventilated spaces are equipped with comprehensive array of equipment's including Spectrophotometers, Digital Balances, Centrifuges, Autoclaves, Laminar Air Flows, Microtomes, Ganong Potometers, Farmer's Potometers, Gnongs Respirometers, Digital pH Meters, Hot Plates, incubators Auxanometers, Binocular Microscopes, Microscopic Slides, Biological Charts and Posters
- Students' educational experience is further enhanced by having access to a large museum that has carefully chosen exhibits that are in line with the curriculum.

BOTANICAL GARDEN *"Botanical gardens are the living canvas where nature's colors come to life where Every plant has a story to tell."*

- The goal of establishing a botanical garden is to give our students a learning environment where they may study the collection, cultivation, and preservation of plants.
- A wide variety of plant species, including therapeutic ones, may be found in our garden such as Inspira cordifolia and Aloe vera, as well as ornamental plants like Dahlia and Ixora.

In addition to our greenhouse and shade house, we have incorporated a picturesque artificial pond which not only adds to the garden's natural beauty but also offers students who are interested in aquatic biology useful study materials.

GEOGRAPHY LAB

"Geography is about more than just memorizing places on a map. It's about understanding the complexity of our world, appreciating the diversity of cultures that exists across continent."

A well-stocked laboratory with all the maps, charts, and other tools required to teach geography is maintained by the Department of Geography. Students whether individually or in groups, utilize these resources to solve geographical problems. Additionally, the laboratory facilitates the transformation of field-collected data or statistical report and diagrams

COMMERCE LAB

"Success is not final, failure is not fatal: It is the courage to continue that counts."

The Commerce Lab is designed to accommodate groups of students, offering practical, hands-on learning experiences in business and commerce. It features advanced technology, including computers, business simulation software, and tools for financial analysis, marketing, and entrepreneurship. This space encourages collaboration on projects, market research, and participation in stock market simulations. The lab's layout supports both individual and group work, allowing instructors to effectively guide and oversee activities.

COMPUTER LAB

"A computer is not a device anymore. It is an extension of your mind and your gateway to other people."

The department maintains two state-of-the-art computer labs with LCD projectors, Wi-Fi, and a centralized server system that is connected to a local area network (LAN). Each lab can accommodate up to 100 students. The computers in these labs are equipped with Microsoft Office applications, latest versions of programming language software such as VS Code, My SQL Server etc and other software as per the requirements of students. The personal computers in the lab are updated with syllabus-wise software helpful for BCA students and provide elementary knowledge to other students.

COURSES OFFERED

POST GRADUATE COURSES

Postgraduate courses offer advanced education that builds upon undergraduate studies, providing deeper knowledge and specialized skills in a particular field. Postgraduate studies can open doors to increased job opportunities, higher salaries and the chance to contribute to the development of your field.

M.Sc. (CHEMISTRY)

"Chemistry is the art of explaining how molecules interact and transform into something new."

M.Sc. in Chemistry is a postgraduate program that delves deeper into the principles and applications of chemistry, preparing students for advanced roles in research, industry, and academia. The syllabus for the courses is as prescribed by the University of Rajasthan. This would enable the students to face with confidence, all competitive exams e.g. CSIR-UGC NET, GATE (Graduate Aptitude Test in Engineering), SET (State Eligibility Test), ICMR JRF, DRDO Scientist Entry Test, UPSC etc. The MSc Chemistry course equips graduates with the expertise to pursue careers in Pharmaceuticals, Environmental Science, Forensics, Data Scientist, Chemistry Researcher, Chemist, Clinical Research Specialist and various other fields.

HIGHLIGHTS OF THE PROGRAMME

- To impart knowledge in fundamental aspects of all branches of chemistry (Organic, Inorganic and Physical Chemistry) along with the current scientific status and new developments in Chemistry.
- The department has an excellent array of equipment's for research/ project works. Besides association with both UG and PG teaching, the faculty members have produced outstanding research publications.

ELIGIBILITY CRITERIA	Minimum 55% marks in B.Sc. or 55% marks in Chemistry.
DURATION	Two Years (Annual Scheme)
FEE STRUCTURE	M.Sc. (Previous) : ₹ 26500/-
	M.Sc. (Final) : ₹ 26500/-

M.Sc. (Previous): PAPERS

Paper-I	Inorganic Chemistry
Paper-II	Organic Chemistry
Paper-III	Physical Chemistry
Paper-IV	Spectroscopy and Diffraction Methods
Paper-V	Green and Sustainable Chemistry
Paper-VI	Analytical Techniques

M.Sc. Final: PAPERS

Paper-I	Applications of Spectroscopy, Photochemistry and Solid State Chemistry
Paper-II	Bioinorganic Chemistry, Bioorganic Chemistry, Biophysical Chemistry
Paper-III	Environmental Chemistry
Paper-IV	Organic Synthesis-I
Paper-V	Organic Synthesis-II
Paper-VI	Heterocyclic Chemistry
Paper-VII	Chemistry of Natural Products

M.Sc. (PHYSICS)

"Physics is the science of how the world works, from the tiniest particles to the largest galaxies."

M.Sc. in Physics is a postgraduate program that provides advanced knowledge and in-depth understanding of fundamental and applied physics. In the M.Sc. Physics course, students are prepared to become highly skilled professionals, who contribute significantly to help them overcome industrial challenges and enables them to stay connected with science through research, academia or industry. Plenty of career opportunities are available in: Research and Development, Space and Astronomy, Renewable or Non-Renewable Energy Sector, Robotics, Nanotechnology, Geophysics and Meteorology, Defence Services, Physics Research Labs, Radiation Protection Centers, Oil and Gas Companies, Medical Technology Companies.

HIGHLIGHTS OF THE PROGRAMME

- We have forged strong partnerships with renowned centers of research excellence so that our students can work with scientists of reputed organizations and gain hands-on experience of the most advanced experimental techniques and the most sophisticated theoretical and experimental methods.
- Students can explore the vast expanse and depth of physics with our course that encompasses Quantum Mechanics, Condensed Matter, Nano Science and Technology, Material Sciences, Nuclear Physics, Electronics and Theoretical Physics and much more.

ELIGIBILITY CRITERIA	Minimum 55% marks in B.Sc. or Minimum 55% marks in Physics.
DURATION	Two Years (Annual Scheme)
FEE STRUCTURE	M.Sc. (Previous) : ₹ 26500/-
	M.Sc. (Final) : ₹ 26500/-

M.Sc. Previous: PAPERS

Paper-I	Classical Mechanics and Mathematical Method in Physics
Paper-II	Classical Electrodynamics
Paper-III	Quantum Mechanics, Atomic and Molecular Physics
Paper-IV	Electronics, Numerical Methods and Computer Programming

M.Sc. Final: PAPERS

Paper-V	Advanced Quantum Mechanics and Introductory Quantum Field
Paper-VI	Nuclear Physics
Paper-VII	Statistical and Solid State Physics
Paper-VIII	(A) Microwave Electronics Or (B) Plasma Physics

UNDERGRADUATE PROGRAMMES FRAMEWORK

Year	Semester	Subject 1 /Discipline 1	Subject 2 /Discipline 2	Subject 3 /Discipline 3	Subject 4 /Discipline 4	Ability Enhancement Courses	Skill Enhancement Courses	Value Added Courses	Summer Internship	Minimum Credit (for the Semester)	Cumulative Minimum credit required for certificate/ diploma/ degree
		Major	Major	Major/ Minor.	Multi disciplinary	AEC	SEC	VAC			
1 Year	I	(6) TH-6 Or TH-4 +Pr-2	(6) TH-6 Or TH-4 +Pr-2	(6) TH-6 Or TH-4 +Pr-2		Hindi (2) English (2)	SEC 1 (2)	VAC 1 (2)		26	52(+4)
	II	(6) TH-6 Or TH-4 +Pr-2	(6) TH-6 Or TH-4 +Pr-2	(6) TH-6 Or TH-4 +Pr-2		Hindi (2) English (2)	SEC 2 (2)	VAC 2 (2)	(4) Credit required for Exit	26	
UG Certificate Students who opt to exit after completion of the first year and have secured 48 credits will be awarded a UG Certificate if, in addition, they complete one internship of 4 credits during the summer vacation of the first year											52 (+4)

RULES FOR "PASS", "BACK PROMOTED" AND "FAIL"

- For students admitted in the first year:
- Every student will be promoted from the first semester to the second semester
 - In the first year the student can earn 52 or 56 credits by-

S. No.	Semester	Major Discipline Credit	Major/ Minor Discipline Credit	Multidisciplinary Courses Credit	AEC Credit	SEC Credit	VAC Credit	Internship	Total Credit
1	I	2*6=12	1*6=6	0	1*4= 4	1*2= 2	1*2= 2	4	26
2	II	2*6=12	1*6=6	0	1*4= 4	1*2= 2	1*2= 2	4	26
I- Year		24	12	0	8	4	4	(+4)	52(+4)

- If a student secures a minimum of 48 credits in the first year, he/she will be promoted by the university with the remark "PASS" in the second year. If he/she wants to exit after first year with "CERTIFICATE OF FACULTY/DISCIPLINE" then a minimum of 48 credits from course and 4 credits from internship to be earned.
- If the minimum number of credits acquired by the student in the first year is less than 48, then on securing a minimum of 18 credits (50% of total credits 36 in core subjects) and a minimum of 26 credits (50% of total credits 52) in the first year will be promoted with the remark "BACK PROMOTED". In his second year, he can again earn the required credits by appearing in the relevant subjects of the first and second semesters.
- Otherwise, the student will become an EX-STUDENT with the remark "FAIL".
- In any year the student cannot appear in all the examinations of any one semester of the previous year.
- For promotion from the current year to the next year, it is mandatory to pass all the prescribed co-courses of the previous year with a minimum of C grades (40%).
- The maximum period to complete the first year is three years, and for this, the student must have earned a minimum of 48 credits.

Scheme of Examination-

1 credit = 25 marks for examination/evaluation

Continuous assessment, in which sessional work and the terminal examination will contribute to the final grade. Each course in Semester Grade Point Average (SGPA) has two components- Continuous assessment (20% weightage) and (End of Semester Examination) EoSE (80% weightage).

- Sessional work will consist of class tests, mid-semester examinations, homework assignments, etc., as determined by the faculty in charge of the courses of study.
- Each Paper of EoSE shall carry 80% of the total marks of the course/subject. The EoSE will be of 3 hour duration.
- 75% Attendance is mandatory for appearing in EoSE.
- To appear in the EoSE examination of a course/subject student must appear in the mid-semester examination and obtain at least C grade in the course/subject.
- Credit points in a Course/Subject will be assigned only if, the student obtains at least a C grade in midterm and EoSE examination of a Course/Subject.

UNDER GRADUATE PROGRAMMES

BACHELOR OF SCIENCE

B.Sc. PASS COURSE

"Real science can be far stranger than science fiction and much more satisfying"

B.Sc. course provides a student with foundational and specialized knowledge in a specific scientific field. It typically includes theoretical learning, practical applications, and research-oriented studies. The best part of doing a B.Sc. degree is good job opportunities may be availed in the field of Research and Development. B.Sc. students are not restricted to science-related careers and have the ability to explore other fields such as health care, environmental science and professional courses for higher education.

HIGHLIGHTS OF THE PROGRAMME

- Experienced Educators
- Interactive guest lectures
- Unique mentor-mentee system
- Project based learning
- Inter and Intra college seminars and workshops
- Well-equipped laboratories
- Continuous evaluation
- Strict monitoring of attendance of student
- Remedial theory & practical classes

SUBJECTS OFFERED FOR SEMESTER I & II:

- Physics/Mathematics/Chemistry
- Physics/Mathematics/ Geography
- Botany/Zoology/Chemistry
- Botany/Zoology/Geography
- AEC (Hindi , English)
- SEC
- VAC

ELIGIBILITY CRITERIA	Candidates must have passed 10+2 examination in Science Stream with 48% aggregate marks from Rajasthan Board/CBSE or any other equivalent recognized Board.
DURATION	Three Years (Semester Scheme)
FEE STRUCTURE	B.Sc. Part-I - ₹ 20000/-
	B.Sc. Part-II - ₹ 21000/-
	B.Sc. Part-III - ₹ 22000/-
(Note: Additional 1500/- for Geography as one of the optional paper)	

BACHELOR OF COMMERCE

B.Com. PASS COURSE

“A strong foundation in commerce education lays the groundwork for innovation, entrepreneurship, and economic development.”

The Bachelor of Commerce (B.Com) program is a popular three year undergraduate degree focusing on business, finance, and commerce. - Innovative teaching methods make learning experiential which involves the use of debates, discussions, movie-screenings, quiz and drama, field trips etc.
- Teaching and learning aids like pictures, drawings, magazines, videos, digital material and data, websites, e-book, real situations, group projects etc. clarifies the subject matter more easily.
- Graduates will cultivate a positive mindset and essential life skills, empowering them to become responsible citizens.

SUBJECT OFFERED FOR SEMESTER I & II:

- History, Political Science, Geography, Hindi Literature, Sociology, Public Administration and English Literature.
- AEC (Hindi and English) • SEC • VAC

ELIGIBILITY CRITERIA	Candidates must have passed 10+2 examination in any discipline with 45% aggregate marks from Rajasthan Board/CBSE or any other equivalent recognized Board.
DURATION	Three Years (Semester Scheme)
FEE STRUCTURE	B.A. Part-I - ₹ 15000/-
	B.A. Part-II - ₹ 16000/-
	B.A. part-III - ₹ 17000/-
(Note: Additional 1500/- for Geography as one of the optional paper)	

PROFESSIONAL COURSES

BCA (BACHELOR OF COMPUTER APPLICATIONS)

"Everybody should learn to program a computer, because it teaches you how to think"

The BCA Course will help students deepen their knowledge in areas like software development programming and computer networking. Student will be able to gain technical, analytical and soft skills that are highly valuable in IT industry.

The course is designed to function as an intermediate between the industry and academic institutes. BCA program emphasizes on computer application oriented courses like C++, Java, PHP, Web Application Development, etc. This course provide students with options to specialize in new and upcoming technologies. After successful completion of BCA, graduated students can fetch employment directly in companies as Programmer, Web Developer, Network Administrator, and Data Scientist.

ELIGIBILITY CRITERIA	Candidates must have completed 10+2 examination in any discipline (Arts, Science or Commerce) with 48% aggregate marks from Rajasthan Board/ CBSE or any other equivalent recognized Board.
DURATION	Three Years (Semester Scheme)
FEE STRUCTURE	BCA Part-I - ₹ 23000/-
	BCA Part-II - ₹ 22500/-
	BCA Part-III - ₹ 23000/-

HIGHLIGHTS OF THE PROGRAMME

- A distinguished team of faculty members dedicated to mentoring and guiding students in their career development.
- Two well-equipped laboratories with the latest 3G Core i5 computer systems and related software.
- Wi-Fi access is available for students.
- All systems are linked together by LAN connections

BBA (BACHELOR OF BUSINESS ADMINISTRATION)

"The best investment you can make is in yourself."

The objective of the programme is to provide the essential knowledge required to undertake and to run a responsible business organization. HIGHLIGHTS OF THE PROGRAMME

- Professional faculty members for mentoring and career development of students.
- Regular Guest Lectures to meet the new trends in the market.
- Case study based teaching.
- Regular Group Discussions on various management topics.
- Organize Industrial Visits and Field Trips for gaining practical knowledge of business.
- Encourages students to participate in fest and management competitions.
- Interactive lectures through audio-visual aids.
- Management games, Ad-Mad show and role-playing.

ELIGIBILITY CRITERIA	Candidate must have completed 10+2 examination in any discipline (Arts, Science or Commerce) with 48% aggregate Marks from Rajasthan Board/ CBSE or any other equivalent recognized Board.
DURATION	Three Years (Semester Scheme)
FEE STRUCTURE	BBA Part-I - ₹ 20000/-
	BBA Part-II - ₹ 20500/-
	BBA Part-III - ₹ 21000/-

NOMENCLATURE OF THE COURSE

BBA SEMESTER I

- Legal Aspects of Business
- Business Communication Skills
- Fundamental of Accounting
- AEC I - Hindi, English
- SEC I
- VAC I

BBA SEMESTER II

- Business and Management
- Strategic Management
- Business Economics
- AEC2- Hindi, English
- SEC2
- VAC2

NOMENCLATURE OF THE COURSE:

SEMESTER-I

THEORY PAPERS

- Programming in C
- Web Application Development
- Computer Fundamentals and Office Management Tools
- AEC1- Hindi, English
- SEC1
- VAC1

PRACTICAL PAPERS

- Programming in C Lab
- Web Application Development Lab
- Office Management Tools Lab

SEMESTER- II

THEORY PAPERS

- Operating Systems
- Database Management Systems
- Computer Organization and Architecture
- AEC2- Hindi, English
- VAC2
- SEC2

PRACTICAL PAPERS

- Operating Systems Lab
- DBMS Lab

3. Parents must ensure that their ward participates in class tests and Mid-Term Exams.
4. Parents/guardians should regularly check their ward's attendance records to ensure consistent class attendance.

HIGH COURT DIRECTIVE ON ATTENDANCE

As per the High Court's order, all students are required to maintain 75% attendance in classes to be eligible to appear as a regular student in the University Examination.

BEYOND THE CLASSROOM (EVENTS & ACTIVITIES)

ACADEMIC ACTIVITIES

ORIENTATION PROGRAMME

"Orientation isn't just about where you're going; it's about who you'll become along the way."

The Orientation Program stands as a pivotal foundation for academic triumph, fostering a profound connection between students and their mentors. On the July 30 and 31, 2024, the college hosted an illustrious two-day event, with Dr. Ramesh K. Arora gracing the occasion as the esteemed Chief Guest. In his learned address, Dr. Arora eloquently shared his insights on scaling formidable heights in the face of adversity, underscoring the paramount virtues of diligence and unyielding resolve. On the second day, the incoming students embarked on an immersive campus tour, acquainting themselves with the institution's state-of-the-art facilities and operational framework.

NATIONAL CONFERENCE

"Growth is never by mere chance; it is the result of forces working together."

The two-day National Conference on "Viksit Bharat@2047: Transformation of Planning and Prospects" was held at S.S. Jain Subodh College of Global Excellence, Sitapura, Jaipur, in collaboration with Govt. College, Sanganer, Jaipur, on December 6th and 7th, 2024.

The conference was graced by Chief Guest Dr. Om Prakash Bairwa, Commissioner of the Education Department, who highlighted the Indian government's vision of transforming the nation into a developed country by 2047. The event was inaugurated with the lighting of the lamp by the esteemed guests, including Guest of Honour Prof. H.S. Sharma, Former Head of the Department of Geography, University of Rajasthan, Prof. R.N. Sharma, Head of the Department of Education, University of Rajasthan, Shree R. C. Jain (Retd. IAS, Convener.), Dr. S.K. Chaudhary (Principal, S.S. Jain Subodh College of Global Excellence). The keynote address was delivered by Dr. Chandravijay Dabariya, Head of the Department of Geography, University of Rajasthan. Prof. Nandita Jain, Principal of Govt. College, Sanganer, and Conference Convenor Dr. Mamta Khandelwal reported that

around 550 participants attended THE EVENT. The conference centered on India's economic growth, social progress, environmental sustainability, and governance, offering valuable insights into the multifaceted approach required to realize the vision of a "Viksit Bharat."

GUEST LECTURE AND MOTIVATIONAL LECTURE

"Never let the fear of striking out stop you from playing the game."

On September 27, 2024, a thoughtful guest lecture on 'Youth Mental Health in India' was held, led by the compassionate Dr. Gunjan Solanki. The event concluded with an open-hearted Q&A, where students courageously shared their personal stories and received valuable guidance to navigate their mental health struggles. An awareness program on the **Prevention of Sexual Harassment (POSH) Act** was held on November 7, 2024, at Tagore Hall, led by Shipra Jain, a psychologist and social activist. The initiative highlighted the institution's commitment to fostering inclusivity and support for all. A guest lecture on "**Career Prospects in Finance**" was organized on October 17, 2024, featuring distinguished speakers Mr. Nikhil Nainani. The event was attended by both students and faculty members. It provided an invaluable learning experience, equipping attendees with a deeper understanding of the critical importance of making informed career choices in the field of finance.

ICT TRAINING PROGRAMME (for BBA/ B.Com/B.Sc.)

"Technology can become the "wings" that will allow the educational world to fly farther and faster than ever before – if we allow it."

A 100-hour training program on "Retail Team Leadership" was conducted at the college, led by Infosys in collaboration with ICT Academy. The program, held from January 16, 2025, to February 1, saw active participation from 60 students. This initiative provided valuable insights and hands-on experience, empowering students with essential skills in retail leadership. We commend all the participants for their dedication and enthusiasm throughout the program, and we appreciate **Infosys and ICT Academy** for their partnership in making this training a success.

INTER-COLLEGE DEBATE COMPETITION

"Debate: where ideas clash, minds engage, and perspectives are challenged."

A debate competition was held on December 21, 2024, with the topic "**Artificial Intelligence: A Threat to Human Employment.**" The participants presented compelling points, which were met with cheers and applause from the audience. Many of the arguments presented sparked deep reflection on the subject. The competition was engaging, showcasing the students' talents as they thoughtfully discussed both the benefits and drawbacks of AI, providing a well-rounded perspective on its impact on human employment.

BEYOND THE CLASSROOM (EVENTS & ACTIVITIES)

INDUSTRIAL & EDUCATIONAL VISIT

"Travel is still the most intense mode of learning."

In 2024, our college organized several enriching educational initiatives. On October 7, a CPR training session was held for BBA and B.Com students, in collaboration with **Mahatma Gandhi Hospital Jaipur**, aiming to equip students with life-saving skills and promote a culture of responsibility. On November 16, the Department of Zoology took B.Sc. students on an educational trip to **Nahargarh Biological Park**. The visit focused on wildlife rehabilitation, forest conservation, and the role of communities in nature protection. Just three days later, on November 19, BBA and B.Com students visited the **Akshaya Patra kitchen**, learning about large-scale food production, technology, and social responsibility. Both visits emphasized environmental sustainability, food safety, and the impact of technology in addressing societal challenges. Further on December 18, 2024, two more educational visits were organized, for BCA students visit to **Bhamashah Techno Hub**, providing them with valuable insights into technological advancements, digital innovations, and the role of IT in governance.

Meanwhile, students of BA visited the **Rajasthan Vidhansabha** to gain first hand experience of the legislative process and understand the workings of the state's parliamentary system and governance, making it an informative and memorable experience for all participants.

AD-MAD SHOW & BUSINESS QUIZ

"An Ad-Mad Show turns ordinary ads into extraordinary acts – a playground for innovation, humor, and endless creativity!"

On November 26, 2024, the Department of Commerce hosted an exciting interclub competition featuring the "Ad-Mad Show & Business Quiz." This event gave students the opportunity to showcase their creativity by crafting innovative advertisements for selected products. The competition aimed to broaden participants' knowledge across diverse fields such as business, current affairs, science, technology, sports, and entertainment.

PRASTUTI

"The mind is not a vessel to be filled, but a fire to be kindled."

Prastuti is an engaging Power Point presentation competition held on October 19, 2024, aimed at encouraging participants to showcase their creativity, communication skills, and subject expertise. The competition challenges individuals to design compelling and visually striking presentations on a specific theme. Participants are judged on message clarity, slide design, overall effectiveness, and their ability to engage the audience.

MID-TERM EXAMINATION 2024

"Success is not final, failure is not fatal: It is the courage to continue that counts."

In line with the New Education Policy, mid-term exams for the first semester were held from October 6 to October 9, 2024, and for the third semester, they took place from November 27 to November 29, 2024. These exams played a crucial role in shaping students' academic journeys, providing opportunities for reflection and growth.

FAMOUS DAYS CELEBRATION

INDEPENDENCE DAY

"Our independence is not just about the past; it's about shaping the future with the values of unity, peace, and progress."

Independence Day on August 15, 2024, was celebrated with great enthusiasm across all institutions of S.S. Jain Subodh Shiksha Samiti. The day began with the hoisting of the national flag, followed by the singing of the national anthem. Students and staff participated in various cultural programs, including patriotic songs, dances, and speeches, paying tribute to the sacrifices of freedom fighters. The celebrations concluded with a pledge to contribute to the nation's progress through integrity, responsibility, and unity.

REPUBLIC DAY

"We are the architects of our destiny, and our Republic is the structure we are building together."

Republic Day is a momentous occasion for India, celebrated with great fervor and patriotism. On January 26, 2025, S.S. Jain Subodh Shiksha Samiti witnessed an awe-inspiring celebration, where the National Anthem was sung with deep reverence. The event commenced with the hoisting of the National Flag, setting a solemn yet jubilant tone for the day's cultural activities. The celebrations were filled with heartfelt patriotism, reflecting the true essence of Republic Day.

TEACHER'S DAY

"A teacher affects eternity; They can never tell where his influence stops."

Teacher's Day is a special day to honor and appreciate the hard work of teachers who guide us in our learning. On September 5, 2024, S.S. Jain Subodh College of Global Excellence celebrated Teacher's Day with great excitement, recognizing how much teachers influence their students' lives. It was a time to thank teachers who not only teach us knowledge but also help us develop values, curiosity, and a love for learning. Through fun activities, we showed our gratitude for their continuous support and dedication.

HINDI DIWAS

"The importance of Hindi is not just as a language, but as our cultural heritage."

Hindi, a language that symbolizes love, unity, and brotherhood, lies at the core of our nation. To celebrate this important day, the college hosted an extraordinary Hindi Diwas event on September 14, 2024, filled with unmatched enthusiasm and fervor. Students eagerly took part in a Kavita Path Pratiyogita, emphasizing the idea that the Hindi language is an integral part of our cultural legacy.

WOMEN'S DAY

"A woman is the full circle. Within her is the power to create, nurture, and transform."

March 8, International Women's Day, celebrates the remarkable achievements of women across social, economic, cultural, and political spheres. The college marked this occasion by hosting a range of games and activities to recognize and celebrate the invaluable contributions of women in society.

EXTRA CURRICULAR ACTIVITIES

KRISHNOTSAV

"The universe is an eternal dance, and we move to the rhythm of the Creator's will, each step a divine blessing."

On August 24, 2024 our campus celebrated Janmashtami with immense joy and devotion to seek the blessings of Lord Krishna. The college's cultural team organized the event, which began with traditional rituals and a mass chanting of 'Hare Rama-Hare Krishna' led by the gurus from Akshaya Patra, creating a spiritually charged atmosphere. The celebration featured a vibrant mix of Kirtan, dance, and drama performances. The highlight of the event was the thrilling Dahi Handi competition.

ANNUAL SPORTS DAY

"Sports teach us that the great victories often come after hard work, dedication, and a belief in ourselves."

The two-day Annual Sports Day, held on December 23-24, 2024 was a vibrant celebration of sportsmanship and team spirit. With great enthusiasm, the event aimed to foster physical fitness, camaraderie, and a healthy sense of competition among students. Participation was truly remarkable, with both students and staff members actively engaging in a variety of events. The sports line-up included Badminton, Chess, Carrom, Volleyball, Kabaddi, Table Tennis, Three-Legged Race, Lemon Spoon, Javelin Throw, Cycling, and several other exciting competitions. The event culminated in a prize distribution ceremony, where medals and certificates were awarded to the winners, recognizing their hard work and dedication.

DEEPOTSAV

"Doubt is like darkness; Trust is like light, there is no way to destroy light by throwing darkness into it. So come together and enjoy the festival of lights."

Every year, Deepotsav is celebrated with great excitement. This year, the celebrations took place on October 26, 2024, with great fervor. The occasion featured a range of cultural programs including Maandna (Rangoli making Competition), Craft Oasis, Rang/Birangi (Face Painting Competition), Candid Clicks (Photography Competition), Tadka without fire (Fireless cooking), Abhivyakti (Nukkad Natak Competition), Geet Gunjan (Group Singing competition), Jhankar Beats (Group Dance Competition) allowing students to showcase their diverse talents. With diyas and flowers, the entire college exuded a joyful atmosphere, and the students' beautifully designed rangoli provided a charming background for the festivities.

BASANT PANCHMI PUJAN

"The power of knowledge is on all of us. May goddess Saraswati illuminates the glow and strive for more knowledge in us forever".

Dedicated to the adoration of Goddess Saraswati, the deity of wisdom and knowledge, Basant Panchami marks the beginning of spring. On February 3, 2025 the College observed Basant Panchami with a Havan Ceremony in observance of this custom in order to ask Goddess Saraswati for blessings. Everyone was dressed in yellow for the celebration, which reflected the celebratory mood.

DANDIYA NIGHT

"Dandiya, a dance of grace and zeal, where tradition and celebration beautifully congeal."

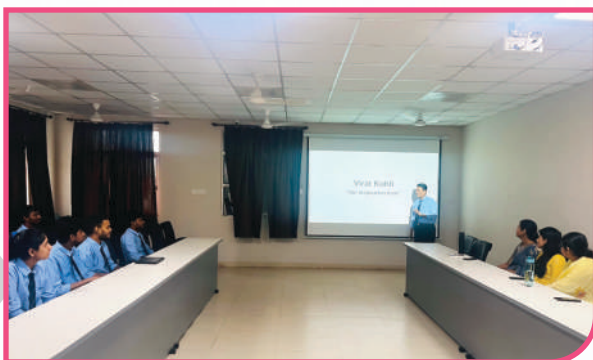

There is a lot of excitement, joy, and lively energy in the air during the Navratri festival! The traditional dandiya dance is a beautiful way to celebrate this momentous occasion. On October 09, 2024 S.S. the college held a lively Dandiya Night in observance of Navratri. A vibrant environment was created as the staff and students enthusiastically joined in, dancing to the rhythms of Punjabi and Gujarati tunes. To boost excitement and promote traditional dress, prizes were given for "Best Costume" and "Best Performance."

ANNUAL DAY, UDISHA-THE RISING SUN-2025

"Annual Day is not just a celebration; it is a reflection of our journey, a showcase of talent, and a promise of brighter tomorrow's."

The Annual Day and Prize Distribution Ceremony, which honored students' accomplishments and showcased their abilities, was held on March 16, 2025. An award ceremony, talks by notable speakers, dance, music, ramp walks, mime performances, and other cultural and intellectual events were all part of the event. Best Club & The Student of the Year Awards (for both boys and girls) were given out based on their overall academic and extracurricular achievement during the session, in addition to recognizing the best students in university exams.

ACTIVITY DAY

"True education means fostering the ability to be interested in something."

The second and fourth Saturdays offer students a valuable break from their regular academic routines, providing opportunities to engage in enriching activities. These days can be dedicated to exploring new interests or participating in extracurricular pursuits such as sports, music, or drama.

SOCIAL AWARENESS ACTIVITIES

FOR THE GOVERNMENT SCHOOL

"Kindness Costs Nothing but Means Everything."

In keeping with its dedication to social upliftment, the institution remains committed to improving the facilities at Government School, Saligrapura, which the college adopted in 2015.

Since then, the school has witnessed significant improvements, including the provision of electricity connections and

installation of ceiling fans in classrooms. To further enhance the well-being of the students, the college community actively participates in various initiatives. During the winter months, the principal, along with students and faculty members, organized a heart warming outreach program, distributing food packets, and study materials, to the children, bringing joy and warmth to their lives. Furthermore, to ensure access to clean drinking water, an RO Unit has been installed on the school premises this academic year.

BLOOD DONATION CAMP

"Blood Donation Means a Few minutes to you but a lifetime for others".

The college's seventh Blood Donation Camp, held on December 14, 2024, in association with SDMH, Jaipur, witnessed an overwhelming response. 95 units of blood were generously donated by students and faculty, underscoring the profound impact that collective action can have on saving lives. Each donor received a heartfelt expression of appreciation.

SWACHHATA ABHIYAN

"Cleanliness may be defined to be the emblem of purity of mind".

The annual Swachhata Abhiyan Program, held on October, 25, 2024 aimed to educate students about the link between cleanliness and social inclusion. The day began with a morning assembly featuring a prayer and an inspiring message from the principal. Subsequently, students, faculty and the principal actively participated in a campus-wide cleaning drive, covering classrooms, corridors, and playgrounds. Fourth-grade teachers were recognized as the day's ambassadors for their dedication and received tokens of appreciation from the students and college administration.

AANANDAM DAY

"Coming together is a beginning, keeping together is progress. Working together is success."

"The Aanandam Act, a cornerstone of community engagement, has been mandated as a core subject in all undergraduate programs since the 2020-21. This initiative aims to cultivate a deep-rooted love for giving and sharing among our youth through active community involvement. With enthusiastic participation from students across all disciplines, the Aanandam Act has been successfully implemented within our institution, adhering to the guidelines set forth by the University of Rajasthan. To commemorate Aanandam Day on November 7, 2024, an awareness program on the prevention of Sexual Harassment Act was held, led by Shipra Jain.

RECREATIONAL VISIT

"The capacity to cooperate in pursuit of a common goal is known as teamwork. the capacity to align individual achievements with organizational goals. It is the catalyst that enables ordinary individuals to achieve extraordinary outcomes."

In addition to expanding learning opportunities and addressing needs that are not met during people's non-leisure time, recreation is about self-expression and personal growth. As part of their academic calendars, staff and students take part in educational and recreational tours.

We took a one-day tour to the **Kanota Camp Resort** in Jaipur on January 11, 2025. Games, natural exploration, thrilling activities, and adventure abound in this wonderful day

CELLS AND CLUBS

ENVIRONMENT CLUB

"Earth is happy when we speak, breathe, and walk in peace. Let Mother Earth be proud of us with each breath, each word, and each stride."

Our college has established an environment club. Every employee and student actively participates in the club's activities under the guidance and encouragement of our principal. Raising awareness of environmental concerns such as conservation, preservation, restoration, and protection is the club's main goal. With a focus on empowering and teaching children.

ROVERS AND RANGERS UNIT

"Rovers and Rangers are the backbone of a stronger community, always ready to act, always ready to lead."

The senior section of India's Scouts and Guides is called Rovers & Rangers. In our college, there are 12 Rovers. Out of them, 8 Rovers were awarded the 'Rajya Puraskar 2024–25,' and 4 received the 'Nipun Puraskar 2024–25.' They all actively participated in the year-long training camps during the 2024–2025 session, showing great commitment and dedication. Another unit of Rangers was formed in the 2021–2022 session. This year, 5 Rangers earned the 'Rajya Puraskar 2024–25,' and 10 Rangers received the 'Nipun Puraskar 2024–25.' They also took part in several meaningful events like the state-level rally, Independence Day parade, blood donation drives, and marathons. Their hard work and active participation are truly commendable!

NSS Unit

"Through NSS, we learn that true happiness lies in giving, not receiving."

The college has two NSS units, which conducted several activities throughout the academic year. On August 7, 2024, a one-day NSS camp was organized by the units for tree plantation. The NSS "स्वच्छता ही सेवा" Campaign took place from September 14, 2024 to October 2, 2024, focusing on cleanliness and community involvement. Another one-day camp, featuring 'Blood Donation,' and 'Free Health Check-up,' was organized at the college on December 14, 2024. Additionally, a seven-day special camp was held from January 16, 2025, to January 22, 2025. The 7 days NSS camp was a remarkable display of dedication and selflessness, where our college and students came together to make a lasting impact on the community.

PLACEMENT CELL / CAREER COUNSELLING CELL

"Success usually comes to those who are too busy to be looking for it."

The Placement and Career Counselling Cell of S.S. Jain Subodh College of Global Excellence is committed to providing possibilities for its students to advance their careers before they leave the college. The Cell's goal is to provide work possibilities and professional training to students. The Placement Cell assists students and fosters creativity through Webinars, Seminars, Workshops, Personality Development Programs, and other initiatives. In this session, Subodh Institution has initiated the Centralised Job Placement Process and for the same the companies like Priyam Infosystem Pvt. Ltd., LG Electronics Ltd., Class24, Azim Premji Foundation, ACS Pvt. Ltd., HDFC Bank Ltd., Ebizz Bharat, Anav Clouds, Thrillophilia, Nine Star Broking Pvt. Ltd. and many more have conducted interviews for UG and PG.

ANTI RAGGING CELL

"A little kindness can go a long way – don't rag."

According to the Supreme Court of India's order and subsequent announcement from the University Grant Commission (UGC), ragging is a malignant kind of contact in which newcomers are subjected to psychological or physical torment. The college has an anti-ragging cell to protect students' dignity. To prevent ragging, the anti-ragging squad maintains an active surveillance system on campus. We have zero tolerance for ragging. The members of the anti-ragging cell are:

Dr. Arvind Choudhary	(9414770762)
Mr. Dharmendra Kumar Verma	(9461444497)
Dr. Nidhi Jain	(8005585697)
S.H.O., Shivdaspura	(9950253772)
